

2021 SHOOT-A-THON FUNDRAISER

Who: You!

What: 2021 Shoot-A-Thon Fundraiser

Where: Anywhere you are this summer

When: July 15-September 1

Why: To raise money for Hingham Girls Hockey. These funds will go towards scholarships, jerseys, tournaments, etc; everything will go back to the girls in our hockey community!

How: You shoot up to 125 pucks per week (25 pucks per day). Talk to friends and family about sponsoring your efforts for a week (maybe more!)

Bonus: While you are limited to how many pucks you can shoot for sponsorship money, your practice shots this summer are limitless! Record how many shots you take each day between July 15 and September 1 and prizes will be awarded to the top three shooters!

HGH hockey is hosting a shoot-a-thon fundraiser to sponsor various opportunities for our girls this year. The girls have set a goal to each shoot 125 (25 per day M-F) pucks per week this summer in the off season.

We are hoping each player can get 10 sponsors. Attached is an email link to Hingham Girls Hockey's Paypal account, as well as a QR code. Cash and checks can also be handed in to coaches in September.

Sponsors (family, friends, and neighbors) can sign up to sponsor their player the following ways:

.20 cents per shot for one week = \$25.00

.16 cents per shot for one week = \$20.00

.12 cents per shot for one week = \$15.00
