The mission of the WFHS Girls' Lacrosse Booster Club is to provide support to the Wolverine girls lacrosse program through fundraising, service projects, community involvement, and school spirit. It is our goal to enhance our program to build pride in the players and coaches and create open community and student support for the team. Through financial support, we will provide both the necessities and the extras that will enable the program to compete with other top programs in the State of Georgia.

WFHS Girls Lacrosse is a self-funded 501(c)(3) organization for the benefit of students desiring to participate in team sports, personal growth, and community development as a whole.

The WFHS Girls Lacrosse Program is ranked as one of the most competitive and top developmental programs in Georgia and the Southeast Region!

- 2025 GA Division 3 State Champions!
- 2024 GA State 7A Championship Runner Up!
- 2023 GA State 7A Championship Runner Up!
- 2021 GA State 6A-7A Championship Runner Up!
- Ranked 12th in the nation (MaxPreps) 2021
- 2019 GA State 7A Final Four
- GA State Top 10 multiple years
- Region Champions multiple years
- Several players names All-State and All-County teams each year
- Multiple players selected as USA Lacrosse All Americans for their accomplishments on the field, in the classroom, and in their community.

Even though West Forsyth High School is a state public school, Forsyth County and the State of Georgia does not provide athletics funding. NO STATE FUNDING means TEAM FUNDRAISING. Expenses include things such as: Uniforms, practice and game jerseys, coaches, referee's, game buses, goals and equipment, Georgia fees, legal, medical/trainer, team building events and player scholarships. The girls are involved and held accountable for high GPA's, and student involvement in the community and school activities.

**Our players work hard to be the best they can be on and off the field. They achieve more because of support from people like you. Thank you for your support!**
