

North Hills Hockey Club's Locker Room Policy per USA Hockey's Guidelines

In addition to the development of our hockey players and enjoyment of the sport of hockey, the safety and protection of our participants is central to NHHC's goals. NHHC adheres to USA Hockey's SafeSport Program as a means to help protect its participants from physical abuse, sexual abuse and other types of misconduct, including emotional abuse, bullying, threats, harassment and hazing.

To help prevent abuse or misconduct from occurring in our locker rooms, NHHC has adopted the following locker room policy. This policy is designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms.

Locker Room Monitoring

NHHC has predictable and limited use of locker rooms and changing areas (e.g., generally 30-45 minutes before and following practices and games). This allows for direct and regular monitoring of locker room areas. While constant monitoring inside of locker rooms and changing areas might be the most effective way to prevent problems, we understand that this would likely make some players uncomfortable and may even place our staff at risk for unwarranted suspicion. We conduct a sweep of the locker rooms and changing areas before players arrive.

At RMU and the rinks we visit there are either locker rooms with their own contained restroom (w/shower area) or shares a restroom and shower area with one or more locker rooms. Since our teams also regularly travel to play games at other arenas, those locker rooms, restrooms and shower facilities will vary from location to location. NHHC's team organizers will attempt to provide information on the locker room facilities in advance of games away from our home arena as information is available. At arenas for which you are unfamiliar, parents should plan to have extra time and some flexibility in making arrangements for their child to dress, undress and shower if desired.

Coaches will conduct a sweep of the locker rooms and changing areas before players arrive, and if the coaches are not inside the locker rooms, they will be posted directly outside of the locker rooms and changing areas during periods of use, and leave the doors open only when adequate privacy is still possible, so that only participants (coaches and players), and approved team personnel are permitted in the locker room.

Team personnel will also secure the locker room appropriately during times when the team is on the ice.

Parents in the Locker Room

NHHC does not permit parents in our locker rooms unless it is truly necessary due to injury/illness and two or more coaches are present. If a player needs assistance with his or her uniform or gear, if the player is or may be injured, or a player's disability warrants assistance, then we ask that parents let the coach know beforehand that he or she will be helping the player. Naturally, with our youngest age groups it may still be necessary for parents to assist the players getting dressed. We encourage parents to teach their players as young as possible how to get dressed so that players will learn as early as possible how to get dressed independently. In circumstances where parents are permitted in the locker room, coaches are permitted to ask that the parents leave for so that the coaches may address the players.

Mixed Gender Teams

Some of our teams consist of both male and female players. It is important that the privacy rights of all of our players are given consideration and appropriate arrangements made. Where possible, NHHC will have the male and female players dress/undress in separate locker rooms and then convene in a single locker room before the game or team meeting. Once the game or practice is finished, the players may come to one locker room for a team meeting and then the male and female players proceed to their separate locker rooms to undress and shower, if available. If separate locker rooms are not available, then the players will take turns using the locker room to change. We understand that these arrangements may require that players arrive earlier or leave later to dress, but believe that this is the most reasonable way to accommodate and respect all of our players.

Cell Phones and Other Mobile Recording Devices

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras, are not permitted to be used in the locker rooms. It is advised that you leave your phones with the team manager, coach, or parent prior to entering the locker room.

Prohibited Conduct and Reporting

NHHC types of physical abuse, sexual abuse, emotional abuse, bullying, threats, harassment and hazing, all as described in the USA Hockey SafeSport Handbook. Participants, employees or volunteers in NHHC may be subject to disciplinary action for violation of these locker room policies or for engaging in any misconduct or abuse or that violates the USA Hockey SafeSport Policies. Reports of any actual or suspected violations, you may email USA Hockey at SafeSport@usahockey.org or may call 1-800-888-4656.
