

# SOUTH AFRICA, 2019

**Attention adventure-seekers, photographers, birders, naturalists, and avid travelers...you won't want to miss this opportunity!**

In July of 2019, eight Bogus Basin Ski Club members and friends will be traveling to South Africa for the adventure of a lifetime. You will be immersed in the splendid wildlife at Senalala Luxury Safari Camp, which is in a private game preserve that is part of the Greater Kruger National Park. You will also get to enjoy the wilds of northern KwaZulu-Natal at the famed Phinda Private Game Reserve. You will gain fantastic insight into the country's complex, difficult and fascinating history. With wine tours, walking tours, night drives, day safaris, biking and more, there is enough to keep you busy but still ensure you have time to take it all in for yourself. You will be in very good hands from start to finish with our own personal guide who is one of Africa's most experienced safari guides.
