

2025 BABE RUTH LEAGUE, INC.

MEDIA GUIDE

Babe Ruth League, Inc.'s late President/CEO,

Ron Tellefsen

His commitment to our nation's youth was unsurpassed.

His primary objective was for every child to have the opportunity to play in this great game.

"Never let the fear of striking out get in your way."

— Babe Ruth

Mission Statement of Babe Ruth League, Inc.

The Babe Ruth Baseball/Softball program, using regulation competitive baseball and softball rules, teaches skills, mental and physical development, a respect for the rules of the game, and basic ideals of sportsmanship and fair play.

In all aspects, Babe Ruth League, Inc. is committed to providing our participants the very best educational, sports experience possible.

It is our fundamental belief that every child with a desire to play baseball or softball be afforded that opportunity.

Regions of Babe Ruth League

This map illustrates the eight regions of Babe Ruth League, Inc. Each region is comprised of the state organizations.

The Local League Level

The foundation of the Babe Ruth program is the local league level. Each Cal Ripken Baseball, Babe Ruth Baseball, and Babe Ruth Softball league is organized within a community by a group of select people, who usually serve as a temporary board until regular elections of officers can be held. State Commissioners help local leagues establish geographical boundaries—which are protected by Babe Ruth League, Inc.—from which to draw their players.

Babe Ruth local leagues operate with the spirit of democracy and with much autonomy. In addition, Babe Ruth League, Inc. provides materials to help leagues establish their own Constitution and By-Laws and plan meetings.

All league officers, managers, coaches, umpires and miscellaneous personnel should be volunteers from within the community and should be individuals who care about teaching the youth of their community the ideals of sportsmanship, fair play, respect for self and others and high morality.

The District Level

A District is an established area within a state that can consist of between five to ten leagues. A District Commissioner is a volunteer who operates the Babe Ruth program within each district according to the Babe Ruth Rules and Regulations, State's Constitution and By-Laws and its policies.

The District Commissioner assists the local leagues whenever needed. He/she holds several meetings per year to keep his/her leagues updated on the special programs as well as possible policy and rule changes. The District Commissioner serves as the local league's liaison with the State Commissioner.

The State Level

The District Commissioner reports to the State Commissioner. Depending on its size and the population of its leagues, a state organization may consist of an entire state or a portion of a state. State Commissioners are volunteers who operate the Babe Ruth program within each state organization according to the Babe Ruth Rules and Regulations as well as any applicable state-level by-laws and policies.

The State Commissioner is responsible for:

- Assisting local league officials when needed or requested by District Commissioners.
- Holding elections for District Commissioners elected by the local leagues within the respective district.
- Holding several meetings per year, including an election meeting where each District Commissioner votes for the State Commissioner; a meeting devoted to league eligibility for tournament play, as well as a complete review of all Babe Ruth Rules and Regulations for local league and tournament play; and meetings to review the special programs offered by Babe Ruth International Headquarters to address any District concerns and review possible policy and rule changes.
- Operating State Tournaments and working through his/her District Commissioners to make certain all leagues are eligible for tournament play.
- Presenting to the Regional Commissioner (the next level) for review all District concerns within his/her state in order that the state's recommendations are presented properly to Babe Ruth International Headquarters.

The Regional Level

The State Commissioner reports to the Regional Commissioner, of which there are eight. A regional organization consists of several states. A Regional Commissioner operates the Babe Ruth program within each region according to the Babe Ruth Rules and Regulations and the program's policies and procedures.

The Regional Commissioner is responsible for:

- Assisting local league officials when needed or requested by District or State Commissioners.
- Holding one or two workshops per year where the operations of the region and the Babe Ruth program are reviewed thoroughly.
- Operating and administering the Regional Tournaments in conjunction with his/her Assistant Regional Commissioners.
- Presenting to Babe Ruth International Headquarters (the next level) for review any regional concerns and subsequent action.

International Headquarters

Elected by the Board of Directors is the President/CEO of Babe Ruth League, Inc. who leads the program's operation and administration. Full-time staff members (including the President/CEO) work with the program's volunteer network of over one million individuals to provide the very best educational, sports experience possible for participants.

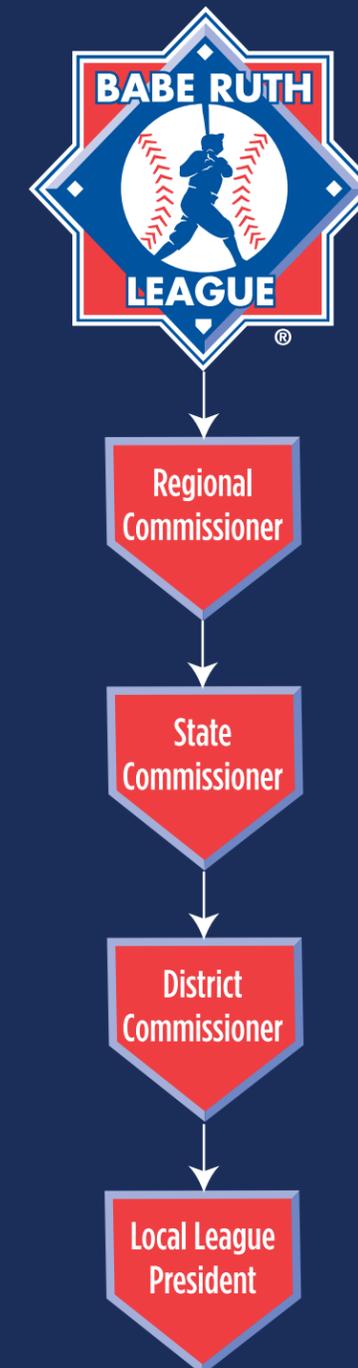

The International Headquarters for the administration of Babe Ruth League, Inc. is located in Mercer County, New Jersey.

The Board of Directors

At the top of the chain of command is the Babe Ruth League International Board of Directors, including the President/CEO who directs the affairs and policies of Babe Ruth League, Inc. The eight Regional Commissioners serve as Board Members, along with eight "at-large" members.

Great futures start here. Did yours?

Contact the BRL Alumni Association at 609-695-1434 for further information!

We are asking all Babe Ruth League Alumni and Friends to Stay in the Game with the Babe Ruth League Alumni Association. A BRL Alumni Association Brochure and Pledge Card have been included in your League Kit!

Cal Ripken, Jr., Jimmy Rollins, Michael Jordan, Tom Selleck, Bruce Springsteen, Spencer Levin, Torii Hunter, Mike Piazza, Rob Gronkowski...What do all of these people, and millions more, have in common?

They are all graduates and friends of a Babe Ruth League program.

While many have achieved particular distinction in fields such as entertainment, sports or business, the average alumnus/friend may not be famous. Most have achieved success by getting an education, raising a family, serving their country, pursuing a career or supporting their community.

Alumni & Friends ... Stay in the Game With the Babe Ruth League Alumni Association

The Babe Ruth League program began with a vision. Through group commitment, motivation and dedication, it has now become one of the leading youth baseball and softball programs in the world. The main goal will always remain the same ... TO PUT KIDS FIRST!

The Babe Ruth Alumni Association and Friends is a network of people who care and have a strong desire to succeed. Why? Because the youth of our country depend on us. That has been and will always be our driving force.

Millions of kids have benefitted from participation in Babe Ruth League, Inc. since the first league was established in 1951. Babe Ruth League, Inc. has truly become a place of hope and opportunity for all young people ... male and female.

This is about welcoming you with an understanding of our mission, while tapping

into the great resources that you and the other alumni and friends can provide.

Our Mission

The purpose of the Alumni Association is to advance the general welfare of Babe Ruth League, Inc. and to support the needs and mission of Babe Ruth League, Inc. through engaging alumni, friends and partners of Babe Ruth League, Inc.

We aim to help youth prepare to meet the challenges of adolescence and adulthood, as well as encourage their drive for personal excellence and achievement. Through special programs, activities, campaigns, scholarships and much more, the Alumni and Friends can help Babe Ruth League achieve these most important goals.

Why Join the Alumni Association?

- Because of the countless life lessons learned in between those white lines.
- Because of the friendships brought together and carried on for the rest of your life.
- You remember the moments of selfless acts of sacrificing glory for the good of the team.
- You remember getting so caught up in the game you nearly forgot to breathe.
- You look back fondly on your time involved with the Babe Ruth League program, whether as a player, manager, coach, commissioner or volunteer.
- And you would be especially proud to carry on the tradition of Babe Ruth League to make sure the program is available for generations to come.

George Herman "Babe" Ruth ... America's Baseball Legend

Born: February 6, 1895 in Baltimore, MD
Died: August 16, 1948 in New York, NY
Height: 6'2" Weight: 215 lbs.
Threw and batted lefthanded
Married Clair Merritt Hodgson, April 17, 1929

When Babe Ruth left the game of baseball, the New York Yankees retired his number 3. He had become a legend and no one else could ever take the great Bambino's place.

Ruth grew up in St. Mary's Industrial School

in Baltimore. Taught how to handle a needle and thread, he was supposed to be a tailor, but Brother Gilbert suspected otherwise.

In 1914, he was signed by the Minor League Baltimore Orioles and shortly moved on to the Boston Red Sox before settling in New York with the Yankees. In a few seasons, it became clear that Babe Ruth was the best lefthander in the American League. But his dazzling record as a pitcher was soon eclipsed by his spectacular slugging.

Ruth broke record after record, each time setting new ones only he could equal. During his 22 year career, the Sultan of Swat hit 714 home runs, plus an additional 15 in World Series competition.

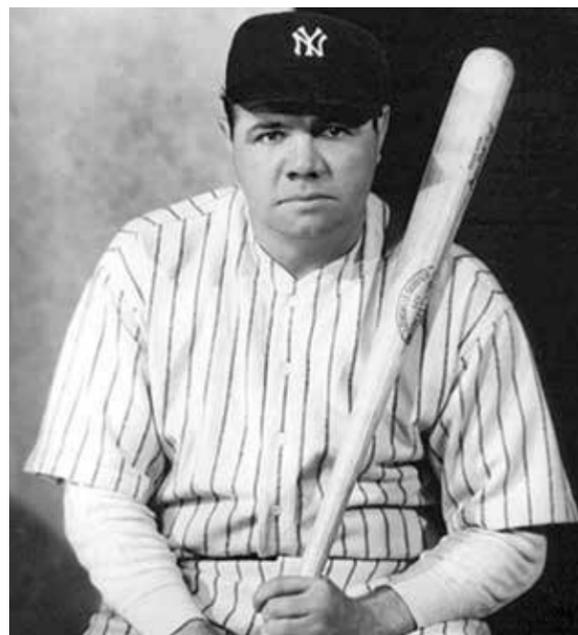

Babe Ruth gave baseball dozens of new records; but more importantly, Babe gave the game the warmth and color of his own personality. The Bambino singlehandedly launched big-time baseball into a new era of glory.

Cal Ripken, Jr. - 2007 National Baseball Hall of Fame Inductee

Cal played the game the way it was meant to be played — every day. He played a record 2,632 consecutive games, earning the nickname Iron Man. For this reason, fans and major leaguers from around the country admire and respect him. Cal, Jr. is one of just eight players in history to amass more than 400 home runs and 3,000 hits. Selected to baseball's All-Century team, this two-time Gold Glove winner and 8-time Silver Slugger Award Winner, was a terrific all-around player. Twice the American League's Most Valuable Player, he and his fellow Oriole teammates made their hometown of Baltimore proud when they clinched the title of 1983 World Series Champions. To top off a career that others can only dream about, on January 9, 2007, Ripken received the highest honor of recognition . . . election into the National Baseball Hall of Fame.

Vernon "Lefty" Gomez Award - Volunteer of the Year

This award was established in 1991 to recognize and to pay tribute to an outstanding volunteer in the Babe Ruth Program. This award is made in honor of the late Vernon "Lefty" Gomez, a twenty-five year member of the Babe Ruth League, Inc. Board of Directors.

About Babe Ruth Baseball and Cal Ripken Baseball (A Division of Babe Ruth League, Inc.)

CAL RIPKEN DIVISION (4-12)

In April of 1987, Cal Ripken, Sr., Cal Ripken, Jr. and Bill Ripken took the field together—not as father and sons, but as manager and players. This was the culmination of a lifelong journey that took the Ripken family from the youth leagues to the major leagues. From the very beginning, it was evident that Cal, Jr. and Bill would follow in their father's footsteps, always listening and learning while Cal, Sr. talked about the finer points of the game. Cal Ripken, Sr. was a father figure and mentor not only to his own sons, but to a multitude of players and coaches.

As a player, coach, and manager in the Baltimore Orioles organization for over 37 years, he will be forever recognized with developing and teaching the fundamentals of playing the game of baseball the right way—"The Ripken Way."

Cal Ripken, Sr. passed on his ideals and passion to his sons: "The Ripken Way." The approach combines developing and strengthening the fundamental skills of baseball and athletic conditioning with the equally important virtues of work ethic, practice and an understanding and love for the game. Cal Ripken, Jr. and Babe Ruth League have always shared a common vision: To provide every youngster the opportunity to play baseball and have fun. Teaching them to play the game "The Ripken Way" will assure accomplishment of this goal. In 2000, Babe Ruth League, Inc. and

Cal Ripken, Jr. came together to introduce Cal Ripken Baseball, A Division of Babe Ruth League, Inc. for baseball players 4 through 12 years of age.

ROOKIE LEAGUE

Dr. Bobby Brown, former President of the American League, with the help of Babe Ruth Baseball, established "Rookie Leagues" throughout the nation in hope of getting more youngsters playing baseball.

Rookie League is designed for players seven through nine years old. A pitching machine is used to speed the games along using softer baseballs to help reduce the fear factor. There is a fourth outfielder and a fifth infielder and all twelve players on the roster are placed in the batting order. The games are six innings in length and are played on a standard youth field on sixty foot base lengths. The pitching machine is placed forty-six feet from home plate.

The program became part of the Cal Ripken Division in 1987 and has enjoyed steady growth.

The program gets high praise from coaches, players, parents and league officials. Accolades of "fantastic," "it's great fun," "my kids enjoy it," "players learn quicker," "very few players quit" are heard around the ball fields of the Rookie League.

For further Rookie League information, contact Babe Ruth International Headquarters.

About Babe Ruth Baseball and Cal Ripken Baseball (A Division of Babe Ruth League, Inc.)

Studies have shown that many young players lose interest in the game of baseball because of not getting a chance to play in games once selected for an organized team. In addition, it has been found that players have expressed fear in competing with 14- and 15-year-old players who have already experienced one to two years playing on the standard 90-foot diamond.

With the Babe Ruth Baseball Prep League, the 13-year-old player now has that chance to play with his peers, thus avoiding the possibility of his losing interest in playing baseball. Babe Ruth Baseball also features a 13-Year-Old World Series.

13-16 DIVISION

Babe Ruth League, the group for 13-15 year-old players, was founded in 1951. Today, it serves 13-16 year-olds.

Each local league chartered is an organization with authority to administer its own program within the framework of the Rules and Regulations and guidance of Babe Ruth League, Inc. officials.

Each state, province or territory in the 13-16 division is operated by an elected State Commissioner, and in most states, there are District Commissioners who assist the State Commissioner with his many duties. (Some states, with approval from Headquarters, also receive the assistance of Area Commissioners).

In turn, the states are grouped into eight regions with a Regional Commissioner to oversee the Regional operation. These Regional

Commissioners also serve as members of the International Board of Directors of Babe Ruth League, Inc.

Teams from each league are eligible to enter tournament competition and move along the tournament trail to the championship tournament—the World Series.

16-18 DIVISION

16-18 Babe Ruth Baseball was born in 1966 and has increased steadily since its inception. The 16-18 division is designed to provide organized regulation baseball competition for 16, 17, and 18-year-old players as a development plateau where they can continue to learn and practice those principles which will help carry them through to a satisfactory and productive adulthood.

The 16-18 division was organized because Babe Ruth League, Inc. was aware its job was far from completed by providing for 13, 14, and 15-year-old players. No organization was making available similar opportunities for young players once they had surpassed the 13-15 Babe Ruth Baseball age. The 16-18 division was designed to fill a void much the same as the Babe Ruth 13-15 division had filled a similar gap when it became a reality in 1951.

In the 16-18 division, which is played under regulation baseball rules, can be found the opportunity to practice the ideals of sportsmanship, fair play, high morality and democratic spirit which the participant has learned at the 13-15 Babe Ruth level. The main objective of the 16-18 division is to provide a community-level program which eventually gives the players an opportunity to participate in the 16-18 World Series.

The 16-18 division has rapidly gained much attention and respect from college baseball coaches and major league scouts as an outstanding feeder program for future collegiate and professional baseball players.

BAMBINO BUDDY-BALL

Babe Ruth League believes that every child should have the opportunity to participate in baseball or softball. The Bambino Buddy-Ball League helps to make that dream a reality for physically and/or mentally challenged ballplayers.

With the help of a special “buddy” to swing a bat, round the bases or catch the ball, ballplayers are able to experience the thrills of the game.

The Bambino Buddy-Ball League is designed to foster confidence and self-esteem, make memories and have fun. An emotionally rewarding experience for all, “buddies” achieve satisfaction from their involvement, while athletes benefit from the opportunity to participate in organized sports, physical fitness, and social events and outings.

About Babe Ruth Softball (A Division of Babe Ruth League, Inc.)

Babe Ruth League, Inc. is a non-profit, educational organization dedicated to serving all youth, both boys and girls. Since its inception in 1984, Babe Ruth Softball has shown tremendous growth. It has become a premier softball program throughout the United States and Canada.

Babe Ruth Softball is designed for girls ages 4-18. Age Divisions that are offered are 6U, 8U, 10U, 12U, 14U, 16U and 18U. Leagues are encouraged to organize optional 10U teams within the 12U division, and 14U teams within the 16U division, but are not required to do so.

The primary emphasis of Babe Ruth Softball is on the local league season: education, skill development, participation for players at all levels of athletic ability, and to ensure the participants have FUN.

Babe Ruth Softball's structural hierarchy evolves from the very heart of the program: the local league. Local leagues are organized into districts. Districts report to the State level. States are grouped into eight regions. Volunteer District, State, and Regional Softball Commissioners provide guidance and direction for the areas under their jurisdiction.

Leagues chartered with Babe Ruth Softball operate with simplicity, democracy, and much

autonomy within the framework of Babe Ruth League, Inc. rules and regulations. Leagues are formed within defined and registered geographical boundaries. Dual-participation may be allowed at the local league's discretion. Babe Ruth League, Inc. places no undue restrictions on the local league, a fact that sets it far apart from all other programs.

A highlight of Babe Ruth Softball is its annual tournament trail. Tournament teams from each local league are eligible to participate in District competition with winners advancing to the State and Regional levels. In 1999, Babe Ruth Softball debuted its first 12U World Series and 16U World Series. Eight regional champions from across the United States and Canada compete in each World Series.

In 2015, the World Series was expanded to the 8U, 10U and 14U age levels, and the 18U age level was added in 2016. Teams will either earn a berth to the series in these age groups by being a Regional Champion or they will be winners of a National Qualifier that is hosted by the state they reside in.

The World Series format begins with pool play competition, followed by either a single or double elimination bracket to determine the World Series Champion.

Florence, Alabama is proud to host the 2025 Babe Ruth Softball World Series for all age divisions as well as the Cal Ripken 9-Year & 11-Year-Old Invitational World Series!

From the houses on the bluffs overlooking the Tennessee River to the beautiful and historic homes in the city's downtown area, life in Florence is full of beauty. Situated on the banks of the beautiful Tennessee River, Florence has a rich history.

Florence hosts numerous festivals and events throughout the year.

Native Americans settled this area long ago, and the Indian Mound museum is located at a domiciliary mound near the river. Florence is the site for the Alabama Renaissance Faire, held each October, as well as Arts Alive, Frontier Days Celebration, the Freedom of

America Celebration on the fourth of July, an annual Trail of Tears Celebration and many others.

Florence is an outdoor lover's dream. Golfers pick from a variety of public and private courses. The river and its system of lakes offers a variety of recreational activities. Nature lovers and bird watchers find much to enjoy in the area's public parks, camping areas and walking trails.

In the spring, neighborhoods come alive with flowering dogwoods and azaleas, and the downtown areas buzz with activity as restaurants move tables to the sidewalk and enjoy another change of season.

But there's plenty to do indoors, as well. The Kennedy-Douglass Center for the Arts offers exhibits, classes and juried shows. Theater groups and dance studios perform; museums offer educational programs.

Pope's Tavern Museum
A Civil War-era building showcasing Florence's history.

Florence Indian Mound & Museum
Features Native American artifacts and a large ceremonial mound.

Muscle Shoals Sound Studio (nearby in Sheffield)
Tour the legendary recording studio where artists like The Rolling Stones and Aretha Franklin recorded.

McFarland Park
A scenic riverside park with picnic areas, fishing spots, and camping.

Wilson Dam & TVA Reservation
Walk the trails and see one of the Tennessee Valley Authority's historic hydroelectric dams.

Deibert Park
A peaceful park with walking trails and a pond.

Shoal Creek Preserve
A great spot for hiking, birdwatching, and enjoying nature.

Pickwick Lake & Wilson Lake
Popular for boating, fishing and water sports.

Downtown Florence
Explore unique boutiques, antique shops and great local restaurants.

Helen Keller's Birthplace
The birthplace of Helen Keller is Ivy Green, located in Tusculumbia, Alabama, just a short drive from Florence.

Kennedy-Douglass Center for the Arts
Local art exhibits and cultural events.

And so much more in Florence for you to enjoy:

- Wheeler Lake Cruise
 - Clay Bisque Studios
 - Tennessee Valley Museum of Art
 - Frank Lloyd Wright Rosenbaum House
 - Key Cave National Wildlife Refuge
 - Singin' River Brewing Company
- We're looking forward to welcoming you to beautiful Florence!

Welcome to

VINCENNES

*Revolutionary landmark
of the Midwest!*

Vincennes, Indiana will roll out the red carpet to welcome the top 10-year-old talent in the country to Joe Bilskie, Sr. Field, Earl Lawson Field and Matt Minderman Field, three of the finest youth baseball facilities in the Midwest, for the 2025 Cal Ripken 10-Year-Old World Series.

The World Series, one of the largest youth sporting events in the country, will include people from across the country and meet a variety of economic goals and community involvement.

In the winter of 1779, Col. George Rogers Clark marched a small army of soldiers across the flooded plains of Illinois and surprised a British garrison at Fort Sackville in Vincennes on the banks of the Wabash River. The British surrendered in what turned out to be the westernmost battle of the American Revolution.

Following the Revolution, Vincennes continued to play an important role in American history. Indiana's oldest city served as the first capital of the Indiana Territory from 1800 to 1813. William Henry Harrison, who later became the ninth President of the United States, was the Governor of the Indiana Territory, and he lived in Vincennes from 1800 to 1812.

Today, Vincennes has become another capital of sorts—a capital of Babe

George Rogers Clark National Historical Park, located in Vincennes, Indiana, on the banks of the Wabash River at what is believed to be the site of Fort Sackville, is a United States National Historical Park. President Calvin Coolidge authorized a classical memorial and President Franklin D. Roosevelt dedicated the completed structure in 1936.

Ruth Baseball. This year marks the eighth time that the city has been the host for a World Series. Vincennes has hosted seven previous Babe Ruth League World Series and 35 Ohio Valley Regional Tournaments. The city has recorded many firsts in youth baseball history. Vincennes is the first community to host two World Series in the same year and the first to host two successful Ohio Valley Regionals simultaneously.

Vincennes has a rich history and offers something for everyone, whether you're interested in culture, history, or outdoor activities:

George Rogers Clark National Historical Park

This park commemorates the American Revolution and the role George Rogers Clark played in the western frontier. The park features a beautiful memorial, historical exhibits and a museum.

Joe Bilskie Sr. Field is a prominent baseball facility located within the Vincennes Cub League Complex at 1501 South 14th Street, Vincennes, Indiana. This field has been a central venue for numerous youth baseball events, including the Cal Ripken 10-Year-Old World Series, which Vincennes has hosted multiple times. The Vincennes Cub League Complex

is renowned for its well-maintained facilities, making it a favored location for regional and national youth baseball tournaments. The complex's commitment to providing quality playing fields has solidified its reputation as a premier destination for youth baseball events in the Midwest.

Welcome to JAMESTOWN

Recreation on an industrial scale!

In August of 2025, Jamestown will host its 20th World Series in over forty years as the Babe Ruth 13-Year-Old World Series returns. In 1980, the first ever 13-Year-Old World Series was held here, and Jamestown is proud to welcome another event back here this summer.

In 1999, Jamestown hosted the first ever 12U Softball World Series. The community also serves as the Babe Ruth World Series Training Center for cities who are interested in possibly hosting a future World Series.

Jamestown is fortunate to maintain a large variety of cultural facilities and activities for the enjoyment of residents and visitors alike. The world renowned Chautauqua Institution, founded in 1874, continues to offer a vast assortment of religious, educational, recreational and artistic activities throughout its nine-week summer season. Beautiful Victorian architecture lines the quaint streets and quiet setting of this unique community along the shores of Chautauqua Lake.

As the birthplace of actress Lucille Ball, the downtown area of Jamestown is home to the Lucille Ball Desi Arnaz Museum. Learn about the lives and careers of Lucy and Desi, and even see some of the original stages from the TV series, "I Love Lucy."

Jamestown is also proud to be the home of the National Comedy Center which opened in 2018. The NCC is the first state-of-the-art museum dedicated to telling the vital story of comedy in America.

Also to be found in the downtown area is the Reg Lenna Civic Center, a 1,250 seat, beautifully restored former vaudeville house offering a variety of musical, theatre, and community events.

Jamestown, New York, is a charming city with a rich history and a variety of attractions to explore. Here are some things to do in and around the area:

National Comedy Center
Jamestown is home to the National Comedy Center, which celebrates the art of comedy through interactive exhibits and experiences. You can explore exhibits dedicated to legendary comedians, including Lucille Ball, who was born in Jamestown.

Lucille Ball Desi Arnaz Museum
This museum is dedicated to the legacy of Lucille Ball and Desi Arnaz, featuring artifacts from the iconic "I Love Lucy" show. It's a must-see for fans of classic TV and comedy.

Chautauqua Lake
Just outside Jamestown, Chautauqua Lake is perfect for a relaxing day by the water. You can enjoy boating, fishing and scenic views or visit the nearby parks for a picnic or hike.

Audubon Society Nature Center
Nature lovers can visit the Jamestown Audubon Society Nature Center, which offers hiking trails, bird watching, and wildlife encounters. It's a peaceful spot to enjoy the natural beauty of the region.

Fenton History Center
For history buffs, the Fenton History Center provides an insight into the area's history, featuring exhibits on the Fenton family and the development of the city.

Reg Lenna Center for the Arts
While you visit, check out this historic theater for live performances, movies and concerts. It's a great place to catch local and national talent in an intimate setting.

Allen Park
A large, scenic park in the city with walking paths, playgrounds, and picnic areas. It's great for a relaxed day outdoors with family and friends.

Jamestown Trolley Tour
Hop on a guided trolley tour of the city to learn about its history, landmarks and notable spots, including the homes of famous residents.

Jamestown offers a combination of cultural, historical and natural attractions, making it a great destination for a day trip or weekend getaway!

Russell E. Diethrick, Jr. Park
485 Falconer St., Jamestown, New York

All World Series games will be played at the 4,000 seat Russell E. Diethrick, Jr. Park—where baseball lovers watch the Jamestown Jammers, a member of the Perfect Game Collegiate Baseball League, each season. Jamestown is proud of its parks system which consists of 20 parks covering 540 acres of

land and an urban forestry of over 10,000 trees, including ball diamonds, picnic areas, tennis courts, playgrounds, soccer fields and a river walk area. Jamestown has been awarded the "Tree City USA" designation by the National Arbor Day Foundation.

Welcome to Hot Springs

Where Spring baseball began!

Historic Majestic Park in Hot Springs, Arkansas will play host to the 2025 Babe Ruth 14-Year-Old World Series! The event will bring 18 youth baseball teams comprised of 14-year-olds from across the United States—including international teams—to the Spa City.

The event will bring hundreds of players to Hot Springs as well as family members and fans from across the globe.

The origin story of baseball's spring training runs through Hot Springs, Arkansas.

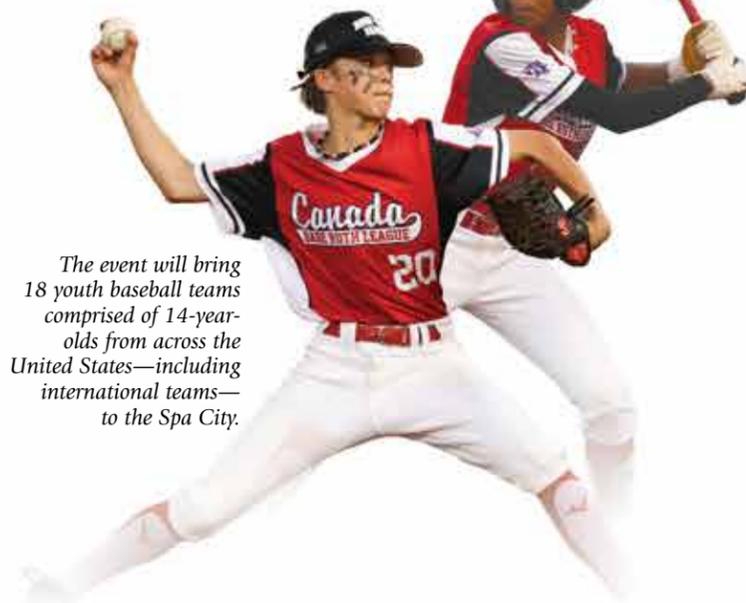

From the 1880s through the 1930s, many major-league teams sent their players to Hot Springs to take advantage of the area's renowned therapeutic mineral baths.

Hot Springs is known for naturally heated springs, many of them in Hot Springs National Park to the north. Bathhouse Row has 8 bathhouses from the 19th and 20th centuries. These include Buckstaff Baths and Quapaw Bathhouse, with thermal baths.

The elaborate, stained-glass-and-marble Fordyce Bathhouse has a lobby fountain and houses the park's visitors center and museum.

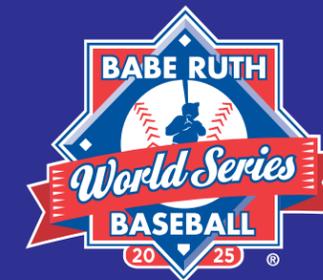

The eight-foot bronze statue of baseball immortal Babe Ruth is one of only three known bronze sculptures of the Hall of Fame legend, and stands at the entrance to Hot Springs' Majestic Park baseball complex, where Babe, Cy Young, Jackie Robinson, Hank Aaron and dozens of other baseball greats trained and played in the 20th Century when Hot Springs was renowned as The Birthplace of Major League Baseball Spring Training.

The event will bring 18 youth baseball teams comprised of 14-year-olds from across the United States—including international teams—to the Spa City.

Hot Springs, Arkansas offers a mix of natural beauty, history and relaxation. Here are some top things to do during your visit here:

Visit Hot Springs National Park
This is the main attraction of the area, where you can soak in the historic thermal waters, visit Bathhouse Row and learn about the history of the area and the bathing culture.

Take a Scenic Drive or Hike
Hot Springs Mountain Tower offers panoramic views of the city and the surrounding Ouachita Mountains. You can hike up or drive to the top for stunning vistas. There are also several beautiful trails around the park, like the Grand Promenade and Hot Springs Mountain Trail.

Garvan Woodland Gardens
A botanical garden located just outside of town, it's a peaceful place to explore with gorgeous seasonal flowers, serene lakes, and beautiful architecture.

Lake Hamilton
If you enjoy outdoor activities, Lake Hamilton is perfect for swimming, boating, fishing or even kayaking. There are several parks around the lake for picnics, and it's one of the cleanest and largest lakes in the state.

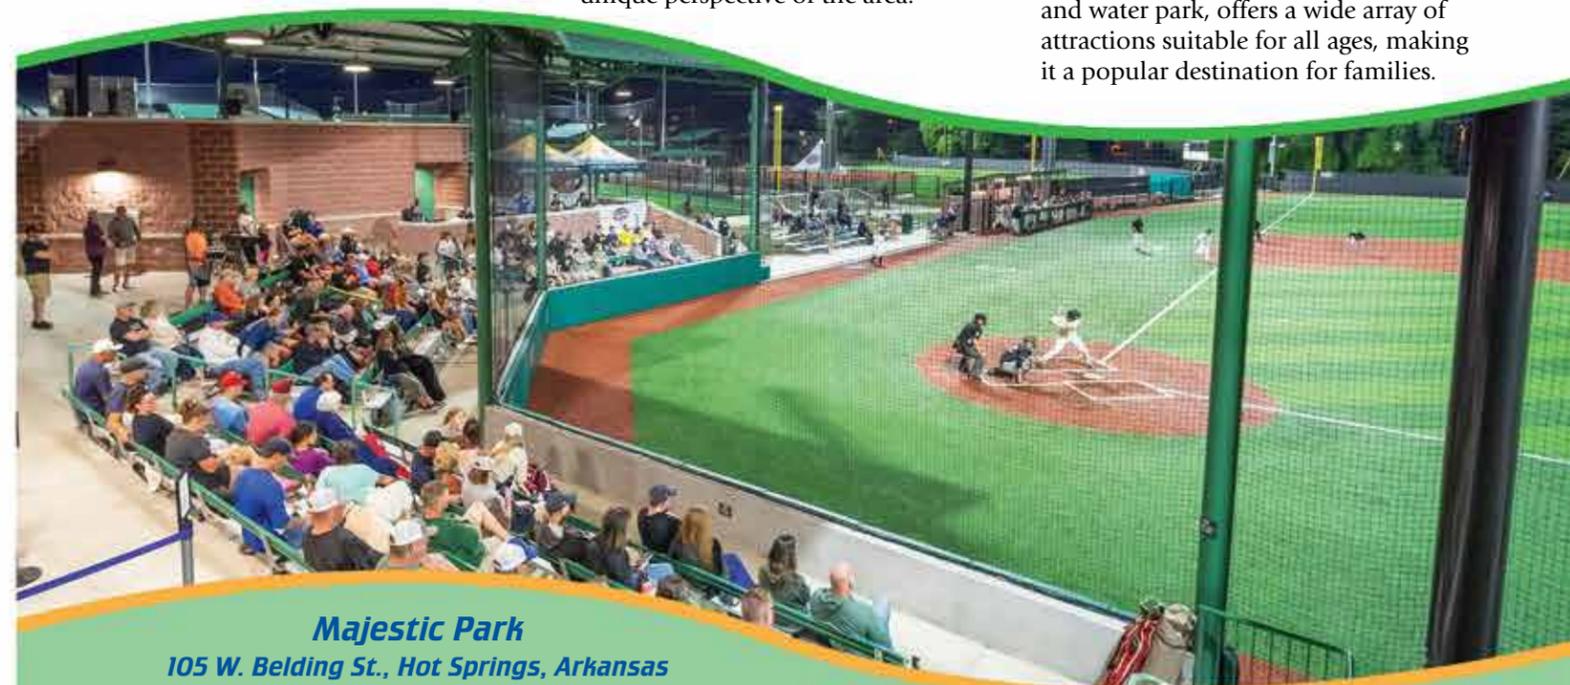

The Gangster Museum of America
Hot Springs was a hotbed for mobsters and bootleggers in the early 20th century, and this museum dives into that history. You'll learn about the criminal element that once frequented the town during the Prohibition era.

Mid-America Science Museum
This museum is interactive and educational, with a lot of hands-on exhibits focusing on science, technology, and the natural world.

Take a Boat Tour
Several local companies offer boat tours of the lakes or guided tours around Hot Springs. You can rent a boat or join a guided cruise to get a unique perspective of the area.

Hot Springs Historic District
The downtown area is great for a leisurely stroll. There are plenty of charming shops, restaurants, and cafés. The Hot Springs Farmers & Artisans Market (seasonal) is also a great place to check out local crafts and foods.

Magic Springs Theme and Water Park
The state's only combination theme and water park, offers a wide array of attractions suitable for all ages, making it a popular destination for families.

Majestic Park
105 W. Belding St., Hot Springs, Arkansas

Majestic Park, a five-field baseball complex located on the site of the former Hot Springs Boys and Girls Club, hosts youth baseball games and tournaments on the site of one of the first spring training sites in Major League Baseball history. The Detroit Tigers first used it for spring training in 1908 and Babe

Ruth attended his first training camp as a member of the Boston Red Sox on this site in 1914. Nowhere else in the country can a young person playing baseball say he or she played on the exact site where the legends of the sport played.
