Concession Stand Policy

The concession stand committee will create a “season schedule” and an “off-season schedule” that will be printed and given to every player/family. They will also be given contact information for the entire association so they are able to call for a replacement, if needed.

Schedules will be posted in the concession stand, on the bulletin board in the hallway, and on the website. If the schedule does not have exact working times on it, an email will be sent to the workers of that event when the information becomes available.

If a person does not work their scheduled event and does not find a replacement worker, the following actions will be taken.

Season Events

- 1st Offense: Letter indicating \$150 fine (payment due 2 weeks from time of receiving bill)
- 2nd Offense: Letter indicating \$200 fine (payment due 2 weeks from time of receiving bill)
- 3rd Offense: Letter indicating \$250 fine (payment due 2 weeks from time of receiving bill) and player is not eligible to play and family must attend a board meeting to regain eligibility to play.

Any fine received during the season that is not paid on time will result in player not being able to be on the ice until payment is made.

Offenses occurred will start over at the beginning of each season.

Off-Season Events

Offense: Letter indicating \$150 fine for 1st offense and \$200 for 2nd offense (payment due 2 weeks from time of receiving bill)

Any off-season fine must be paid before season starts. If payment has not been made, the payer will not be allowed on the ice until that fine is paid.

If an emergency comes up please contact the concessions managers. We are here to work with you, not against.

Effective April 1, 2019
