Livermore Rink Update

Tyler Schaffer and Phil Huyhn are in Amarillo and cannot attend this evening. They gave an update at a City meeting on 1/14/2020. The lease is signed.

Parking will be an issue - do we have an off-site parking option? Barrier is the permitting for the rink.

Player Development Model

This will begin with the Learn to Skate Program. How do we achieve this?

TVMHA Tier II Discussion

Sherry Paul received feedback after the GSE 10U clinic that families would do a Tier II program if it was local but they will not drive to Cupertino or Vacaville.

If TVMHA doesn't have enough players for their own team, we should work together to make it more accommodating for local players; ie: have a practice in Dublin for local players

Having a Tier II program will not change GSE-GSE will always be around.

Debi White, parent of a 14U 1 player, asked who the coaches will be and if we will know before the season begins. Cameron Higley said yes, the players will know who the coaches are before the start of the season.

There will have to be a vote at the February meeting to change any by-laws.

GSE Prospects	Free clinics for top 10U players to play Tier II hockey. Sherry Paul said there were lots of kids and younger than 10U players. It was a free clinic so this was a big draw for many for free ice time.
50th Anniversary	Sammy, Director of PR, will begin working on the 50th Anniversary; celebrate the history of the club, patches (pending approval from NorCal). She will have to work with a graphic designer for a patch design.
Additional	<p>Jenna Hazlewood, parent of a 6U player said there is a lack of communication with all 6U teams. One of the teams and their coach will not use Team Snap. Families are reaching out to the other 6U teams to get information. The intent is for families to pick a day and time that works for them and if any team exceeds 12 players, a new team will be formed. Jenna said families have seen Anna Lorenz about two times this season and she has not attended any games. Cameron Higley will look into this and will get back to Jenna by Wednesday night, 1/15.</p> <p>Corey Linteo asked if TVI has done anything about Fan wear and nothing has happened. Is TVI willing to expand their budget to the new Livermore rink?</p>
