

TOGETHER WE PLAY. UNITED WE BALL.

Thank you for allowing us the chance to tell you about Flagler United. We are a non-profit youth basketball program for girls in 5th-12 grade, and boys in 5th-10th grade. We were founded in 2020 to bring together young basketball athletes in and around Flagler County to provide them with the following opportunities:

- **High Quality Coaching.** Flagler United brings together an experienced and successful team of coaches and trainers who volunteer their time to provide our youth with an elevated level of training.
- **Ethical Mentorship.** The leaders of Flagler United share a common goal: Focus on the Kids. The Flagler United experience is designed to emphasize integrity and sportsmanship, even within a highly competitive atmosphere.
- **Competitive Play.** Flagler United is a travel basketball organization, providing participants with the opportunity to compete at a high level against teams from all over the state, in tournament environments in Jacksonville, Daytona and Orlando, and beyond.

Flagler United is a non-profit, volunteer organization. All our coaches and trainers donate their time, and we currently have 7 teams (2 for girls, 5 for boys) that practice 2-3 times per week and will play in 7 tournaments throughout Florida. We are a 501c3, and are constantly fundraising, as we never want to turn a child away based on their ability to pay. Like with everything, the cost of running our program is going up; **the cost of gym rental alone has tripled for us for 2023!** The only way we can continue to keep costs down for parents is to look to our community for support.

At every level, sponsorships matter. Donating at the **Rebound level (\$50)** covers the cost of one high-quality game ball. **Layup level sponsors (\$250)** cover the true cost of the program for one player. The **Slam Dunk level (\$500)** helps to offset the cost of the gear that is provided, including a high-quality reversible uniform, the official Flagler United Shooting Shirt, 2 pairs of socks, and a backpack. A **3 Pointer Contribution (\$750)** covers about half the cost of one tournament (we bring our program to a total of 7 throughout the entire summer season). And one **Buzzer Beater sponsor (\$1000)** covers a third of the total amount Flagler United pays for gym rental for practice.

Sponsors receive our thanks and recognition in various ways. From visibility on our website and shoutouts on social media, to a special plaque to hang in your place of business, we want everyone to know who it is in our community that helps keep our program running strong. Also, starting at the \$500 level, you have the opportunity to put your business name or logo on our exclusive shooting shirts. Worn by over 70 players per season, these royal blue shirts are well known in the Flagler County Basketball community, and our players continue to wear them proudly long after the season ends.

With the support of our community, we are able to provide an exciting and competitive travel basketball experience for our players that they won't soon forget. Thank you for considering making a donation to Flagler United. We look forward to hearing from you!

Sincerely,

Johnny Hampton, President
