PRELIMINARY GAME 2 • USA (1-0-0-0) VS. SWITZERLAND (0-0-0-1) • EDMONTON, ALBERTA • ROGERS PLACE • AUGUST 11, 2022

LAST DECADE

The U.S. has a combined record of 41-5-4-14 over the past 10 years, including winning a total of six medals. Team USA, Canada and Finland each have three gold medals, combining for nine of the last 10 gold medals. The four-year medal streak from 2016-19 is the longest in USA Hockey history at the IIHF World Junior Championship. For more information about the last 10 World Juniors, and overall team records, can be found on Page 8.

TALKING POINTS

SIBLING RIVALRY

The U.S. National Junior Team has seen all three Hughes brothers on the ice, with the youngest, Luke, on the current 2022 team. The oldest brother, Quinn, played in both the 2018 and 2019 tournament while Jack, the middle child, played in 2019. In 14 games, Quinn registered five assists while Jack appeared in four games and totaled four assists.

Luke played his first tournament game Tuesday (Aug. 9) and recorded the teams opening goal along with one assist, making him the only Hughes brother to have scored a goal at the IIHF World Junior Championship.

NATIVE TONGUE

Thomas Bordeleau, alternate captain of Team USA, spoke to a Montreal-based news outlet after practice the other day. Bordeleau recognized the outlet and knew that he can speak in his native tongue which is French.

The center for the San Jose Sharks was born in Houston, Texas, but Bordeleau grew up in Switzerland where his father, Sebastien Bordeleau, played in the Swiss League. His father also spent time in the NHL and played for Montreal Canadiens, Nashville Predators, Arizona Coyotes and Minnesota Wild.

Bordeleau grew up speaking French from his father who has represented France at the Olympic and World Championship level. A big influence on his hockey career, Bordeleau recalls times where he would watch his dad play and see him in the locker room.

A bit of a different turn for the family, with Bordeleau seeing the potential at USA Hockey's National Team Development Program, he showed his American birth certificate and has represented the U.S. since.

Followed by his 85 points in 103 games (32G, 53A), Bordeleau skated for the University of Michigan Wolverines for two seasons. With a condensed schedule his freshman year due to COVID-19, followed by a journey to the Frozen Four, Bordeleau amassed 67 points in 61 NCAA games (20G, 47A) and was named Big Ten Rookie of the Year, recipient of the Tim Taylor Award which is given to the Top Collegiate Rookie, a Big Ten Second Team All-Star selection, named to the Big Ten All-Rookie Team and was a Big Ten Champion.

Following his successful collegiate stint, Bordeleau signed a professional contract with the San Jose Sharks who drafted him in the second round of the 2020 NHL Draft. In eight NHL games, he assisted on five goals while having three assists in two games with its AHL affiliate, the San Jose Barracuda.

His journey to the World Juniors was tough though, not being able to compete in 2021 and the eventual shutdown 2022 tournament due to COVID-19. He was finally able to put on the Team USA jersey at the Men's World Championship this year, totaling two goals in eight games, but he couldn't be more excited to represent his country on one of the biggest stages.

Entering the 2022 IIHF World Junior Championship, the United States holds a 142-10-6-118-11 (W-OTW-OTL-L-T) all-time record in world junior championship play. Most recently, Team USA won gold at the 2021 IIHF World Junior Championship in Edmonton, Alberta, after earning a silver in 2019 at Vancouver and Victoria, British Columbia. 2022 U.S. NATIONAL JUNIOR TEAM NOTES

PRELIMINARY GAME VS. SWITZERLAND • AUGUST 11, 2022

ADDITIONAL NOTES

USA VS GER: 1337 MILES APART

Team USA opened up the 2022 IIHF World Junior Championship yesterday in Edmonton, Alberta, with a preliminary round win over Germany, 5-1. Five different players accounted for the teams five goals while 11 players picked up at least a point. Of those 11, four recorded a pair of points.

Approximately 1,337 miles away, the U.S. Under-17 Select Team opened up the Five Nations Tournament in Colorado Springs, Colo., against Germany and came out on top, 10-1. Fifteen U.S. players recorded at least a point, while six recorded at least a pair. Will Zellers led the U.S. Under-17 Select Team with a trio of goals. Zellers hometown is Maple Grove, Minn., the same hometown as captain of the U.S. National Junior Team Brock Faber.

ASSEMBLING TEAM USA

USA Hockey hosted the 2022 National Junior Evaluation Camp World July 24-August 2 at USA Hockey Arena in Plymouth, Mich. A collective 63-players attended camp, with birth years from 2002-05.

A usual camp in helping determine USA's National Junior Team for the upcoming tournament in December, which is what the 2023 group was doing, also helped fill in a few gaps from the 2022 event that was rescheduled. The U.S. had at least seven spots that needed to be filled, with NHLers Matty Beniers and Jake Sanderson training for the upcoming season.

After a week of practice and a pair of scrimmages, the list of 31 dwindled down to the pre-tournament's 27-man roster, which was announced on July 31.

The team of 27 arrived to Edmonton, Alberta and played two pre-tournament games at Rogers Place, home of the 2022 IIHF World Junior Championship. The final 25-man roster was announced August 7, two days prior to the start of the tournament. Of those 25, 17 were originally rostered in December of 2021 before the tournament was cancelled.

The youngest player on the team is **Charlie Stramel** (Rosemount, Minn.) at 17 years, nine months, three weeks and five days, which is under the age that players are allowed to wear a half-shield visor. The oldest member on Team USA is **Thomas Bordeleau** (Houston, Texas) at 20 years, seven months, and five days old for a two year, nine month and 11 day age gap between the group.

General manager **John Vanbiesbrouck** is supported by player personnel staff **Marc Boxer** (USA Hockey), **Jerry Forton** (Buffalo Sabres), **Ryan Martin** (New York Rangers) and **Keith Tkachuk** (St. Louis Blues).

The final 25-man team skated together twice prior to its opening faceoff against Germany.

ROSTER COMPOSITION

The 2022 U.S. National Junior Team is comprised of the best 20-and-Under athletes in America, from 17 different states. Twenty-two players are expected to play Division I college hockey next season, while **Thomas Bordeleau** (Houston, Texas) signed an NHL contract with the San Jose Sharks after last season. A full list of youth hockey programs represented by the 25 players can be found on Page 6, and additional roster breakdown can be found on Page 7.

BACK TO BACK

Head coach **Nate Leaman** joins a long list of U.S. coaches who have served as head coach in back-to-back years at the IIHF World Junior Championship: **Bob Motzko** (2017-18), **Keith Allain** (2001-02), **Jeff Jackson** (1997-00), **Walt Kyle** (1992-93), **Steve Cedorchuk** (1989-90) and **Lou Vairo** (1979-82).

Leaman previously served as an assistant coach for the U.S. National Junior Team at both the 2007 and 2009 World Junior Championships.

BROTHERLY LOVE

The Hughes brothers aren't the only notable U.S. hockey family making history. **Sasha Pastujov** and his brothers, Michael and Nick, all played for Team USA at the IIHF Under-18 Men's World Championship. Sasha is the first Pastujov to be named to a U.S. National Junior Team.

ABOUT THE STAFF

ABOUT VANBIESBROUCK

John Vanbiesbrouck is serving as general manager of the 2022 U.S. National Junior Team, marking his fourth straight season serving in the capacity including last year's gold-medal winning squad. The 2007 U.S. Hockey Hall of Fame inductee has previously represented the United States as a player on nine occasions, including one Olympic Winter Games (1998), two Canada Cups (1987, 1991), four men's world championships (1985, 1987, 1989, 1991) and two world junior championships (1982, 1983). A full-time employee of USA Hockey, Vanbiesbrouck began his duties as assistant executive director of hockey operations for USA Hockey on June 4, 2018. His responsibilities include oversight of all of USA Hockey's international efforts, including its men's, women's and sled programs as well as the National Junior Development Program.

ABOUT LEAMAN

Leaman has been a part of three previous U.S. National Junior Team coaching staffs, including serving as head coach for last year's gold-medal team. He also served as an assistant coach for the 2009 team, and won a bronze medal as an assistant in 2007. Leaman most recently coached for Team USA at the 2021 IIHF Men's World Championship, where he helped lead the team to a bronze medal. Leaman made his USA Hockey coaching debut as an assistant coach in 2005 at the IIHF Under-18 Men's World Championship, where the U.S. won gold in Ceske Budejovice and Plzen, Czech Republic. The 2021-22 campaign is Leaman's tenth as head coach at Providence College. During his tenure at Providence, Leaman has coached 29 NHL Draft picks in addition to six undrafted players currently under NHL contract. He has also coached four players selected to play for the U.S. National Junior Team: Jon Gillies (2014, 2013), Erik Foley (2017), Parker Ford (2020) and Brett Berard (2021). Gillies, Foley and Berard were all part of gold-medal winning teams. Prior to Providence, Leaman spent eight seasons (2003-11) at the helm of the Union College men's ice hockey team.

BEST OF THE BEST

Assistant coaches Kris Mayotte and Steve Miller return this year after serving as part of the gold-medal winning 2021 staff. Along with the two is assistant coach Grant Potulny. They have an extensive NCAA resume, combining for more than 55 years of Division I coaching experience. The assistants have a combined 14 international appearances with USA Hockey, including the 2017 gold-medal team in which all three served as assistant coaches. Mayotte, Miller and Theresa Feaster all served on head coach Nate Leaman's staff when Providence won the 2015 NCAA championship.

TEAM USA AMERICAN HOCKEY DEVELOPMENT TIES

USA HOCKEY'S AMERICAN DEVELOPMENT MODEL

The American Development Model, now in its 12th season, is USA Hockey's nationwide player development program for youth hockey associations. It's based on age-appropriate, age-specific competition and training for boys and girls, beginning with their first steps onto the ice and carrying them through age 18 and beyond. The ADM places a heightened emphasis on skill development and long-term athlete development principles, providing a blueprint for the best possible youth hockey experience.

At the younger age levels, it looks like fun and constant motion in small spaces. The ADM encourages station-based practices, small-area games and cross-ice competition to deliver more repetitions, more puck touches and more skill development per hour of ice time. It provides the most efficient, most engaging development path for children, keeping them both in the game and on a path toward their full potential.

2022 U.S. NATIONAL JUNIOR TEAM NOTES

PRELIMINARY GAME VS. SWITZERLAND • AUGUST 11, 2022

USA HOCKEY HAPPENINGS

BODY CHECKING AT THE YOUTH LEVEL

USA Hockey continues to place emphasis on rules surrounding body checking. Any legal contact needs to occur with intent to possess the puck, and body checking should never be used to punish or intimidate an opponent. It is the responsibility of the player delivering the check to have their stick on the ice, and avoid any dangerous contact including hits to the head, hits from behind and late hits. Rules define an illegal body check as when a player makes intentional physical contact, including physically forcing the opponent off the puck, with no effort to legally play the puck.

USA Hockey has dedicated resources and have placed an emphasis on competitive contact at all Youth 12U levels and younger, to build the foundation for proper angling, contact and winning possession of the puck. These are important skills for young players to learn at every practice as they advance into body checking leagues at 14U and older.

SPECIAL TASK FORCE

USA Hockey president **Mike Trimboli** recently announced a task force to address the current state of officiating. The charge of the task force is to explore challenges relative to officiating that exist today - recruitment, retention and treatment of officials among them - and work to formulate a comprehensive plan that provides volunteers across the country with resources and strategies to address those challenges. Officiating challenges are not unique to hockey, but are apparent in all of youth sports. The task force provided an update at Annual Congress, including next steps after a year of research and development.

YOUTH NATIONALS

USA Hockey continues to plan for the 2023 Youth National Championships, presented by Chipotle. Notable championship alumni include **Cammi Granato**, **Phil** and **Amanda Kessel**, **Kendall Coyne Schofield**, **Joe Pavelski**, **Troy Terry**, and many more. Youth Tier I age groups include 14U, 15U, 16U and 18U, in addition to Youth Tier II and High School. Girls Tier I and Tier II Nationals compete across 14U, 16U and 19U.

Current U.S. National Junior Team players that have previously played in USA Hockey National Championships include: **Brett Berard** (South Shore Kings), **Logan Cooley** (Pittsburgh Penguins), **Matt Coronato** (Yale Jr. Bulldogs & N.J. Colonials), **Luke Hughes** (Little Caesars), **Dominic James** (Oakland Jr. Grizzlies & Little Caesars), **Matthew Knies** (Arizona Jr. Coyotes), **Carter Mazur** (Little Caesars), **Kaidan Mbereko** (Little Caesars & Compuware), **Ian Moore** (South Shore Kings), **Sasha Pastujov** (Compuware), **Mackie Samoskevich** (Shattuck-St. Mary's), **Red Savage** (Compuware) and **Landon Slaggert** (Chicago Mission).

USA HOCKEY'S NATIONAL TEAM DEVELOPMENT PROGRAM

Founded in 1996 and today in its 25th season on the ice, USA Hockey's National Team Development Program began operations in Ann Arbor, Mich., and remained there until the summer of 2015 when it moved to its current home at USA Hockey Arena in Plymouth, Mich.

The full-time program is composed of two squads, the U.S. National Under-18 Team and U.S. National Under-17 Team, which compete in the USHL as well as against international and collegiate competition.

The Under-17 Team competes in the United States Hockey League and also participates in three international events annually. The U.S. National Under-18 Team's schedule includes games against NCAA Division I and III opponents, USHL teams as well as competition in three international tournaments.

USA HOCKEY ARENA

USA Hockey Arena is a two-sheet facility with regulation ice (85x200) in the main arena and Olympic-size ice (100x200) for the secondary sheet. After acquiring the facility on April 2, 2015, the USA Hockey Foundation added 20,000 square feet to the complex that includes a 9,800-square-foot workout facility, additional offices and a conference center. In total, the facility encompasses 170,000 square feet with the main rink providing 3,504 seats for hockey games and 4,500 seats for other performances and events. The 15 NTDP alumni part of the 2022 U.S. National Junior Team previously called USA Hockey Arena home, as well as Compuware athletes **Kaidan Mbereko** and **Red Savage**. USA Hockey Arena has been utilized as a host for the annual World Junior Summer Showcase, multiple USA Hockey National Championships, presented by Chipotle, as well as the 2017 IIHF Women's World Championship where the U.S. won its eighth gold medal.

NEW USA HOCKEY PRESIDENT

Mike Trimboli (Massena, N.Y.), who has been involved in grassroots hockey as a player, coach, official and administrator for parts of the last six decades, was elected president of USA Hockey one year ago. In addition to his work with USA Hockey, Trimboli, who retired in 2018 from his role in law enforcement with the New York State Police after over 31 years, has also coached public high school hockey for more than 25 seasons over two stints, including from 1990-2005 and from 2009 until today, winning a Division 1 New York State championship in 2014.

NEW INTERNATIONAL LEADERSHIP

Dwayne Dillinger (Gillette, Wyo.) was elected as vice president and chair of the international council at this year's Annual Congress in 2022. Dillinger has previously served on USA Hockey's Youth Council, as well as served as a chairman, tournament leader and volunteer for Chipotle-USA Hockey National Championships. Dillinger is the managing partner of Gillette Wild Junior Hockey, and serves as a gold course superintendent, including international experience representing the U.S. at superintendent conferences and councils.
