

2025-2026 WINTER SEASON

The Jr Sharks House League is excited to announce that registration is now open for the 2025-26 Winter Season. We will begin on-ice evaluations on Saturday, September 6th. Sign up quickly to reserve a spot, receive evaluation schedule and important season details. Buddy requests may include a total of four players per request. All players in the group must request each other for it to be valid. Buddy requests must be made during the registration process and include the first and last name of each player.

Back for another season, each JSHL team will have a Cuda Pro Experience game at TechCU Arena with in-game music, goal horn, use of the videoboard displays, and more. Also included are four tickets to a weekend

Barracuda game. Lastly, there will be a league-wide special event towards the end of the season where JSHL families will be able meet members of the Barracuda, get autographs, and skate with the players. This will be a memorable experience for your hockey player!

Details by age division, volunteer coaching information and player registration available on our homepage:

WWW.SJJRSHARKS.COM/HOUSELEAGUE
