

Shaker Youth Hockey Association Coaches and Directors,

At University Hospitals Sports Medicine, we pride ourselves on providing patients of all ages with quality care, delivered by specialists and subspecialists who are fellowship-trained in sports medicine. With UH Sports Medicine as the official health care provider of your club, your athletes will benefit from our multifaceted sports medicine approach, direct access to our team and convenient locations throughout our 12-hospital system.

If an injury occurs at your club requiring immediate attention, please call ***Monica Nardy, University Hospitals Sports Medicine Medical Assistant, at 440-662-6997. Michael Salata, MD will be your physician on call.*** In the case of an emergency, please call 911.

Please refer to the University Hospitals Sports Medicine Playbook for all your sports medicine needs. Our team looks forward to working with your club and keeping your athletes in the game!

Thank you,

UH Sports Medicine Team
