- The draft budget should be done soon. We will discuss at next meeting.
- It appears we have a decent amount of money to use; we need to decide how to use it.
- We had a brief conversation about how to spend money.
- There has been almost no requests from coaches for things they need.

**Mary Ellen - Concession –**

- Fall has been a challenge getting enough volunteers to staff... not just football games but all games. Mike DelBorello has been a big help for football games this year.

**Robyn - Merchandise –**

- Total revenue so far of \$20497, total invoices so far of \$18004, therefore \$2492 profit so far
- Recommends we attend 8<sup>th</sup> grade orientation night, no decision to sell merchandise at that yet
- Was recommended that we offer a “staff sale” during the day at some point. also recommended to do a holiday sale at the school. Robin will consider.
