## BIO

I'm Rhianna Hudson. I am a Pitcher and First baseman for the Atlanta Vipers 07 - Maldonado. The team's goal is to have fun playing the game at a high level while we learn and grow as one team. I have been playing softball since I was 5, and the journey has taught me to be confident, courageous and a team player. I will give 100% effort not only for myself, but my teammates and coaches. We need each other to be the best we can be, and I'm so happy I get to play with amazing athletes that help me be a better player. My individual goal is to challenge myself academically while also balancing sports, family, and friends. I believe hard work will always pay off, and balance is the key to life.

**RHIANNA HUDSON - P\1B**

Rhianna continues to excel at the highest levels as a pitcher and a hitter for Coach Jamie Olofson's team. Last year, she ended with a .401 batting average and was one of the team leaders in RBIs and home runs with over 274 plate attempts. On the mound, Rhianna pitches in the upper 50's with spin that "makes the best hitters look silly," according to Coach Olofson. Playing against strong competition at PGF Nationals last summer, she compiled a 1.14 ERA and, at the plate, had a team-leading .391 batting average. As a freshman at Lake Howell in Seminole County, Fla., Rhianna made the varsity team this spring and quickly became the team's top pitcher in a very tough conference. She even pitched a perfect game and Head Coach Tom Krehling commented: "Rhianna is a very mature pitcher for her age. The moment isn't too big for her. She has a very even keel personality and doesn't let the situation change her mentality. Her bat has a lot of pop as well and she can hit for power."
