SELECT TEAMS 2019-20:

The House Selects program is for the experienced house player that is looking for additional opportunities to develop as a hockey player. By playing in the Selects program, these players will have the opportunity to participate in additional practices and games against local area teams and in tournaments.

Program details will hopefully be finalized during the Fall!

RHL Select Teams will be fielded based on interest and ice availability. We anticipate having teams at the 8U, 10U, 12U, and 14U levels and hosting tryouts in September. RHL Selects requires players to participate in RHL and is an additional fee.
