

## **HYS/GYS/PBFP/FVYBL COVID-19 - PLAYER, COACH, SPECTATOR GUIDELINES**

All players must complete the registration process, including a Concussion and a COVID-19 waiver before they can participate in any practices, games, or tournaments.

- HYS/GYS/PBFP/FVYBL must follow the HASD Covid-19 requirements at all times during use of our home facilities. If our club is playing at a facility not operated by HASD, we will be required to honor the sponsoring facilities requirements.
- Symptom Assessment:  
Players, Coaches and Spectators are to do a daily symptom assessment prior to coming to practice/games (self-evaluation). Anyone experiencing symptoms including a temperature of 100.0 or higher and/or other symptoms must stay home and not participate. HASD Symptoms checker can be accessed here: <https://www.hasd.org/community/covid-19-daily-updates.cfm>
- Players will be required to check in at each practice so contact tracing can be performed.
- We will allow for a necessary 15-minute window between practices to allow coaches and players to transfer with no contact with other grades or teams.
- Parents will not be allowed to enter the schools or gyms for practices. Players need to enter on their own and parents will be asked to wait outside in their vehicles until practice is completed. If you drop your child off early, or pick them up late, they will need to wait outside or in the school entryway (if in the entryway, a mask is required). No congregating in commons areas.
- Facial Coverings: Players, Coaches and Spectators are required to wear masks at all times.
- Social Distancing - Players and Coaches will be expected to social distance when not playing or running specific practice drills.
- Players should refrain from high fives, handshake lines, and other physical contact with teammates.
- Players must bring their own water bottles and should be kept in their bags. School water fountains are not on for use.

### **Confirmed Cases or Close Contact:**

- HYS/GYS/PBFP/FVYBL will adhere to HASD positive test and quarantine policies.
- Immediately contact your coach so proper contact tracing can be completed.  
HYS/GYS/PBFP/FVYBL will only be responsible for contact tracing during the time that the player was participating in club activities. We will not be responsible for further contact tracing. School and other activities must be contacted by the players family.
- Any player that is quarantined from school, must quarantine from practice/games for the same time period.
- A player may not participate in practice/games if any household member has a pending test. They may return immediately if test results are confirmed negative.
- If a player is found attending HYS/GYS/PBFP/FVYBL practices or games while they are on a known quarantine for any reason, the player will be suspended from future HASD facility practices for the remainder of the season.
