

## DASC's RAISERIGHT SCRIP FAQs

- What is Scrip?
  - DASC is excited to offer a scrip option through RaiseRight.
  - The following options are available: eGift Cards, Reloadable Cards, and Physical Cards
- How does it work?
  - Instructions for sign up are available at [www.dakotaalliancesoccer.com/scrip](http://www.dakotaalliancesoccer.com/scrip)
  - To sign up, you will need: to download the RaiseRight app, have the DASC enrollment code, and your banking information.
- What is purchased through the RaiseRight app?
  - EGift Cards – purchase and use instantly, you can do it while shopping!
  - Physical Gift Cards – you can pay to have them delivered directly to your home.
  - Reloadables – you can add money to your physical cards.
  - Local Physical Cards – local vendors that carry a higher % of payout over the online scrip
- Are there fees for purchasing through the RaiseRight app?
  - If you link your bank account, there is a \$.29 fee for the secure ACH payment
  - If you link credit cards, there is a 3% transaction fee
- What do I need to do to be sure to get credit for my player's team account?
  - **To get credit: you MUST enter your player's First and Last Name in the Student box and the Birth Year and Gender in the Classroom/Group box. This is also true if you invite Family and Friends to earn for your player.**
- How will the fundraiser credits be tracked?
  - DASC will pull reports from RaiseRight regularly to be used in the calculations as well as adding any local card purchases to those report totals
  - You can keep track of your online purchases in the app. The reports will be used to validate if necessary.
- If I place an order, when will the order be processed?
  - Orders will be processed by RaiseRight and added to our program payout the month following the purchase.
- Why are some local retailer's scrip options not included on the Retailer List?
  - Some of the cards we will carry for local retailers will offer a better "rebate" than the nationwide cards available through RaiseRight (local cards will be Hy-Vee and Get-N-Go)

- We will carry physical cards at the DASC office. These will start a bit later than the original July start date.
- How much will we earn for our player's TEAM ACCOUNT?
  - 75% of your earnings will be sent to your player's team treasurer to be added to your account
  - 20% of your earnings will go to the DASC Scholarship program, 5% of your earnings will be applied to Admin fees
  - NO funds will ever be paid out directly to members/individuals from DASC or the teams.
- If our player does not have a Team Account, can we still help fundraise for DASC somehow?
  - YES, YES YES! In lieu of putting in a player's name and birth year/gender into the Student and Classroom/Group boxes when you register, please put "Scholarship" into both of those boxes and we will make sure that the funds (95%!) are put to great use in our Scholarship Program.
- Why is my favorite store not included on the RaiseRight Retailer List?
  - You can work with your retailer to encourage them to participate.
  - Inclusion may be based on corporate decisions.
- What if I already have an account with RaiseRight through another organization?
  - You can switch your default organization on your Dashboard after logging in.
- What if my player ages out of the Competitive program, does not complete the current season for any reason, or does not return for the immediately following season?
  - Any funds left in accounts will be forfeited by the earner and considered a 100% balance donation to the DASC scholarship program. NO funds will ever be paid out directly to members/individuals by DASC or the teams.
  - Funds earned in July and later for a non-returning player will be put direct to the DASC Scholarship program.
  - The soccer year will begin August 1 and end July 31
- Can members receive the earned fundraising credits directly?
  - Fundraiser Credit is non-refundable and non-transferable.
  - NO funds will ever be paid out directly to members/individuals from DASC or the teams.
- Can I Invite Friends and Family to earn for my player(s)?
  - **Absolutely! They need to be sure to have the unique code for DASC, enter the Player's First Name and Last Name in the Student box and the Player's Birth Year and Gender in the Classroom/Group box or funds will go direct to the scholarship account.**

- Click on your “Account” button in the upper right corner of the app, then click on Invite Friends and Family (you could be entered to win prizes)
