Saturday, April 29th at 4:00pm

Makeups

Sunday, April 30th at 4:00pm

SEASON

Pirates will participate in the Greater Hudson Valley Summer League (GHVBL.com). GHVBL regular season is 6/6 to 7/25. Playoffs start 7/27 with championship weekend 8/5 and 8/6. From 6/8 to end of school year (approximately June 21), Pirates will play GHVBL league games on weekends and typically practice 1-2 days per week.

From approximately 6/21 to 8/5, GHVBL games will be played on both weeknights and weekends and teams will practice typically 1-2 days per week. Coaches will determine and create specific schedules for each team. Expect 4-5 baseball activities per week (games or practices).

Planning on one weekend away tournament in NJ. Details are not yet finalized. Players are responsible for any lodging (if staying overnight) and meal costs.

PRACTICE

Teams will practice at Lyon Park and other local fields as available. Coaches will select practice times at a scheduling meeting prior to the start of summer play. Coaches will do their best to communicate the full schedule at the start of the season.

COMMITMENT

Players are expected to participate in all games and practices. Parents are expected to provide ample notice to coaches for any absences from games or practices whenever possible.

PLAYER ROTATION & PLAYING TIME

For 8U and 9U teams, coaches will attempt to place players in a variety of positions to better learn the game from an overall perspective. Playing time at this age level should be approximately equal for all players. All players will be included in the batting order throughout the game.

For 10U, 11U and 12U teams, player rotation will be more limited and playing time may not be equal for all players.

During the playoffs, player rotation and playing time at all age levels may be more limited.

UNIFORM

Summer travel uniforms (shirts and hats) will be provided. Players are responsible for providing baseball pants, socks, glove, bat and molded cleats.

COST

\$300 for the summer season. Includes uniforms (shirts and hats only), all GHVBL fees, umpire fees and one travel tournament (minus lodging and meals)
