Phoenix Rising FC Youth Soccer Overnight Camps

We are excited to deliver two dates this summer at the beautiful campus of Embry Riddle University in Prescott.

The 5-day, 4-night experience has options for both Overnight and Commuters. Participants experience a full day of soccer and are housed in air-conditioned dormitories with a cafeteria offering three buffet style meals a day with consideration for all dietary restrictions.

The daily schedule asks players rise at 7:30am, and following breakfast participate in three more soccer sessions that day taking breaks for lunch and dinner. An indoor afternoon soccer session, and swimming complete a comprehensive day of activities.
