

2025-2026 E3 Volleyball Work Program

Average Work Credit Amount Earned:

\$50 – \$2,000*

Work credit opportunities depend on the number of participants, available positions, ability to complete tasks, and scheduling conflicts with team tournaments.

Description:

The E3 Work Program was created to ensure that every athlete has the opportunity to play, regardless of financial circumstances. Participants earn **\$15/hour** in account credit by assisting with E3 Volleyball events and facility operations.

Players, family members, and friends (ages 15+) may work approved shifts to earn credits that are directly applied to the player's club dues. Credit is first applied to the final invoice and then toward any remaining balances, helping reduce overall financial obligations. Monthly payments through LeagueApps are still required.

Important Notes:

- All participants must be **at least 15 years old**.
 - Players must **accept a team placement** before applying.
 - A completed **Financial Assistance application and agreement** must be submitted to qualify.
 - If a worker fails to provide at least 24-hour notice before missing a scheduled shift, they will be removed from the program and ineligible for future participation.

APPLICATION DEADLINE:

August 30, 2025
