“OUR PLAYER SELECTION”

*... WE NEED TO ENSURE THAT
ALL PLAYER'S FIRST
EXPERIENCE IS WHEN THEY
FALL IN LOVE WITH THE
GAME...*

- We have a program that will not turn any player away;
- We believe that all barriers must be removed so any player can have the opportunity to play this game;
- We have a player centered mentality where all decisions will keep the player as the highest priority;
- We will cater to every stage of LTPD in developing every characteristic and ability;

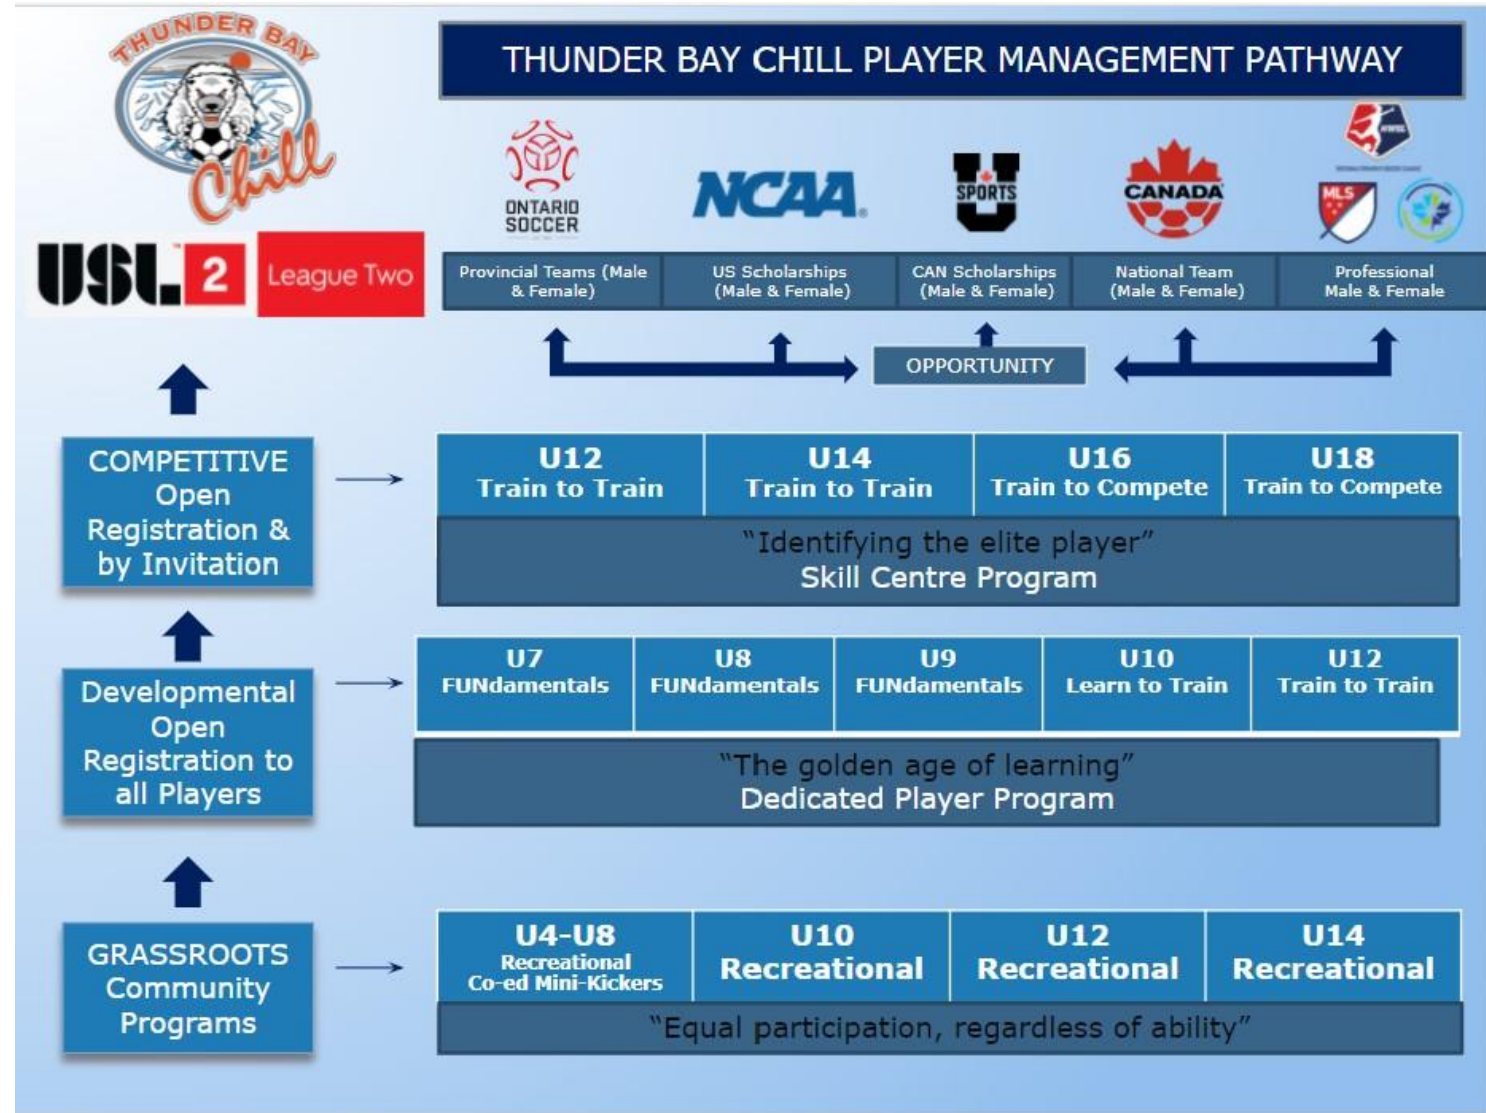

“OUR PLAYER SELECTION”

... WE NEED TO ENSURE THAT ALL PLAYER'S FIRST EXPERIENCE IS WHEN THEY FALL IN LOVE WITH THE GAME...

- All our players enter the game in our club at the Active Start and Fundamental level (Grassroot Program);
- Players get their first exposure of our dedicated soccer program when they are given the opportunity to advance in their development. As players get older (U8-U12), they are all invited and encouraged to be part of our Dedicated Soccer Program. All players are welcomed and no tryouts are involved. Parents receive specific emails regarding this program. The program is also advertised and coaches speak to parents at the field to address questions.
- Players U13 and up are encouraged to continue to participate in our Skills Centred Program. Although few players are invited, this program still continues to be open to all. We believe that if we have the right coaches, then we can develop all players to be successful.
