## FROM THE EXECUTIVE DIRECTOR

Dear Valued Vendor,

2020 was a year that all of us will never forget! Not having the clinic last year has made us rethink all of the things we take for granted. One of the things that I, and all of our coaches have realized is how much we miss meeting “face to face”. Zoom meetings will never replace that! We have moved our clinic to a date that will, hopefully, allow us to do just that. I encourage you to reserve your spot early. Year-after-year our members look forward to seeing “what’s new” and being able to visit with you. Due to the pandemic, there is a pent up demand to return to our “annual get together”. You are an integral part of that and are truly valued by the Association and our members.

We have long been recognized as the largest “Football Only” Coaching Clinic in the Nation! I expect that to continue. We are putting together an exciting lineup for the June 3, 4 and 5, 2021 WFCA clinic. Thursday will feature Wisconsin’s Head Coach, Paul Chryst and his staff. Friday night will feature another outstanding headliner!

We will not be using the large speaker room on Saturday morning, so the large vendor exhibit area will not be open on Saturday. Very few vendors remained “open” on Saturday morning in the past few years. Therefore, the Clinic Committee decided to allow vendors to break down on Friday night after 9:00 pm, if they so desire. If you have any other suggestions as to how we can better serve you, please email Charna at [office@wifca.org](mailto:office@wifca.org).

We look forward to seeing you again in June!!
