## **FOOD IN FACILITIES POLICY:**

Whether signs are posted or not, the region has a policy that all members and their supporters shall have no food, food containers, or flavored drinks in the gyms. Individual Tournament Directors and/or Site Managers have the right to amend this if their gym allows food, etc. Such a revised policy must be announced at the pre-tournament coaches meeting.

1. The policy has been expanded to deny any crock pots, other electric cooking devices of any kind, as well as outside barbeque appliances at any sanctioned venue. Any prohibited action regarding food and its preparation may result in the removal of the associated team from the event.
2. Any outdoor portable structure such as a gazebo, canopy or tent erected for the specific team's use must be located outside of any fire lane or restricted parking space. Individual tournament hosts do have the right to ban food tables and/or other team set ups at their own discretion.
