To whom it may concern,

I am writing to express my intent to run for a position as Director on the Missisquoi Amateur Hockey Association Board.

I have coached within MAHA for a total 10 years at a variety of levels, including five years before I had children in the organization. I chose to coach during that time because of my strong belief in the value MAHA provides to young athletes and our community. I have also coached at the high school level for two years, with both seasons resulting in state championship appearances—experiences that reinforced my belief in the importance of strong youth programs and positive hockey culture.

I currently have two young children participating in MAHA, which makes me deeply invested in the future of the organization. As a former MAHA player, I carry many memories and lessons from my own youth that helped shape who I am today. I want to help ensure that MAHA continues to provide meaningful, positive experiences and opportunities for our young athletes.

Thank you for your consideration.

Sincerely,

Ryan Maskell
