

## 2023/24 IRONMAN® Oceania Season Pass Terms and Conditions

The IRONMAN Oceania Season Pass campaign will run from 11am AEST 12 July 2023 to 11:59pm 6 September 2023. Only those Season Pass Races listed in the table below are eligible for the Season Pass campaign (each a 'Race').

During the Season Pass campaign, athletes who purchase a Season Pass are eligible for the following discounts:

- Buy a 2-Race Season Pass and get 10% off each Race entry.
- Buy a 3-Race Season Pass and get 15% off each Race entry.
- Buy a 4-Race Season Pass and get 20% off each Race entry.
- Buy a 5-Race Season Pass and get 25% off each Race entry.

Race entry pricing is based on pricing current at the time of Season Pass purchase.

Pricing may increase if a Race has a Tier increase during the campaign.

Following the purchase of a Season Pass, the athlete will receive a separate registration link for each selected Race. This will be sent to the email address provided by the athlete during Season Pass purchase. An athlete's registration for a selected Race is not complete until the athlete has completed the registration process for that Race, with each entry subject to the particular entry terms and conditions for that Race.

Where an athlete has already purchased a Race entry prior to the Season Pass offer being launched (an 'Original Race Entry'), that athlete can still purchase a Season Pass to access the discounted rate and receive a refund of the Original Race Entry. Athletes wishing to do so must first purchase a Season Pass and select the applicable Race, after which the athlete will receive a refund for the Original Race Entry. Refunds for the Original Race Entry will be processed within 30 days of receipt of payment of the Season Pass onto the same card used by the athlete to pay for the Original Race Entry. Where an athlete was eligible for any early entry benefits (such as Flex 90) for their Original Race Entry, the purchase date of the Original Race Entry will be honoured where the same Race is later entered by the athlete using a Season Pass. Athletes who have previously registered for a Race are not required to again complete that Race's registration process following the purchase of a Season Pass.
