GMBA Inclement Weather Policy

In the event of inclement weather, the GMBA emphasizes the safety and well being of all participants as our top priority. While we may not mandate cancellation for games and practices, we encourage coaches and parents to use their best judgment regarding attendance, understanding we are an outdoor sport with a short season and limited options for rescheduling.

If weather conditions seem unsafe, such as lightning, heavy rain, extreme heat, or severe cold, coaches have the discretion to contact the league to cancel or postpone activities. Parents should also feel empowered to keep their children home if they have concerns about the weather.

We appreciate your cooperation in ensuring a safe environment for our athletes

Doug Waldron
GMBA President
