7. Bylaws & Constitution Committee Volunteers Needed

Jeff Tasker

Our Booster Club requires a review of our Bylaws & Constitution every 5 years which is due this year. A parent representative from each class grade is needed to form this committee. Please see Jeff Tasker if you can please assist with this effort. This will not take much time but is needed to keep our booster club in compliance.

8. Coaches Corner

Coach Wallace

Off Season is going great. Coach is pleasantly surprised with the boys current shape and how they are handling the off season workout. Coach Sartor has revised some of our off season workouts based on knowledge and training he has received by attending some recent Coaching Clinics. The next 7-8 weeks your sons should be dialed into their physical focus and workouts more than throwing or hitting at this time of year. Pitchers arms should be completely shut down for now. Players should have a goal of lifting 3-5 times/week. Coach Wallace will give players a Throwing Program right before Christmas Break. Players need to stay committed to their workouts and diet through the upcoming holiday breaks. January 20, 2023, will be the first official day of practice for the Spring Season.
