TRADITION OF SUCCESS

Founded in 1984, SWISA is one of the most historic soccer clubs in the Tri-State area. After an 8 year of affiliation as Sporting Southern Indiana, our club is returning to its roots to better serve our families and focus our resources on our players.

We field both boys and girls teams in ages ranging from U9 through U19. Our development philosophy concentrates on technical training while emphasizing sportsmanship and the character growth. These guiding principles are instilled by our experienced coaching staff.
