Welcome to the Eastside Volleyball Club Spring Rally

Welcome to Eastside Volleyball, celebrating over 20 years of volleyball excellence!

Who is Eastside?

Established in the fall of 1996, Eastside Volleyball Club is the longest running volleyball organization in Central Illinois. Our club offers a competitive program with a fun, character-building atmosphere for young athletes in the area.

Focused on the dual philosophy of developing both the athlete and the young person, Eastside Volleyball Club works hard to prepare players for the next level; whether that be junior high, high school, college, or beyond.

Each year, Eastside Travel Teams compete at elite Regional and National competitions that motivate and prepare players for the next level. Local teams compete in the local series that is less time intensive and attracts many teams from throughout the Midwest, keeping competition fierce.

Why Donate to Eastside Volleyball Club

The 2019 Spring session is upon us. And our players need your help.

Funds raised through the rally will benefit the individual players, their teams, or special skills programs to help them develop and grow with the sport of Volleyball. Contributions made on behalf of individual players will apply towards the player's accounts for program fees, which include tournament entry, practice expenses, a full Nike uniform package, and coaching development. Funds can even go towards the purchase of Eastside Volleyball Club branded gear.

Support Our Players and Spread the Word!

Thank you for your support of the Eastside Volleyball Club, its teams, and players. Please share this rally today!
