

Dear Members of the MAHA Board of Directors,

I am writing to express my interest in the Director of Coaching position with MAHA. Having served on the Board of Directors and coaching both hockey and baseball, I am deeply committed to advancing youth development through sports and strengthening the programs that foster growth both on and off the ice.

Throughout my coaching experience, I have focused on building not only skilled athletes, but also confident, disciplined, and resilient young people. Whether on the ice or the baseball field, my philosophy has centered on fundamentals, teamwork, accountability, and respect for the game. I believe strongly that athletics provide one of the most powerful platforms for teaching life skills, and I have made it a priority to create positive, structured environments where athletes can thrive.

My time serving on the MAHA Board of Directors has given me valuable insight into the organizational leadership, strategic planning, and collaborative decision-making required to advance our association's mission. I understand the importance of clear communication between coaches, administrators, parents, and players, and I appreciate the responsibility that comes with maintaining standards that reflect MAHA's values and long-term vision.

As Director of Coaching, I would be committed to:

- Supporting and mentoring coaches to ensure consistent development standards across all levels
- Promoting a culture of sportsmanship, accountability, and continuous improvement
- Strengthening communication between families, coaches, and leadership
- Fostering an inclusive and positive environment that prioritizes long-term athlete development

I am passionate about continuing to serve MAHA in a leadership capacity and helping guide the future of our coaching programs. I would welcome the opportunity to contribute my experience, perspective, and dedication to ensure that MAHA remains a strong and respected organization focused on youth development.

Thank you for your time and consideration. I look forward to the opportunity to discuss how I can best serve MAHA in this role.

Sincerely,

Chris LaPan
