

## 2024 Farmington Youth Hockey Association Candidate Application

### Jordan Webinger

<b>Running For</b>	Vice President (one positions open)
<b>Number of Years in FYHA</b>	11
<b>Children or Dependents in FYHA</b>	I have 6 kids that enjoy playing here in Farmington, And the youngest one who may be the most aggressive of them all soon to hit the ice.! Jayden Bantam Jamison Peewee Jolen Squirt Josten Mite Julian Mite Judson the aggressor - learn to skate
<b>Prior FYHA Experience (board member, coach, volunteer, etc.)</b>	I have been a team manager dating back to my Bantams mite hockey career and have carried on the duty until I was lucky enough to be voted on to the board!
<b>Previous and Current Hockey Experience</b>	Woofta, Trying to remember these credentials are like trying to remember the last time the city of Farmington Lowered taxes :)
<b>Why I am Running for the Board</b>	I'm honestly Running for the VP position to fill the spot from having someone who only cares about their own kid or their own agenda in this position. My life is busy enough without all the extra emails, But ill step up and take on the roll and will conqueror the duties to fill the position and excel as president next season with the help of YOU !! My goals as VP is to give back to the association, Lower the cost of hockey, gain more members, and keep hockey fun! We save all this money for a rink the city wants nothing to be a part of, I will continue to save but at a lessor percentage, lowering the registration fees, helping families and gaining more members, WE don't need a new rink with declining numbers every season!
<b>Other information you should know about me as it relates to my perspective position on the FYHA board</b>	I've been on the board for the past 3 years, I'm familiar with the duties and the tasks to achieve our goals, sometimes it's a lot of work and a battle, and the complaints and negativity sometimes make you wonder why you do it, It's a thankless job. But when you hit the Ice and you see the joy of the kids and the relationships the kids and parents are making is why my name is always going to be in this hat. I'm in it for all the kids, Lets have a great next couple of years and have fun doing it ... CHEERS
