

**It's about kids... It's
about teaching...
Character, teamwork,
skills, and fun!**

Anchorage Hockey Association (AHA) is a non-profit, IRS Sec. 501(c)(3) organization that has served Anchorage youth for over 50 years. The purpose of AHA is to support and encourage both recreational and competitive hockey programs for all youth in the Municipality of Anchorage. AHA is a charter member of the Alaska State Hockey Association (since 1972) and an affiliate of USA Hockey.

Last season, over 600 boys and girls between the ages of 4 and 19 participated in AHA's youth hockey programs. AHA players learn skills that will help prepare them for life -- setting goals, developing leadership skills, promoting teamwork and fair play, respect for others, and contributing back to our community.

Team Sponsorships:

For the 2025-2026 season, each AHA recreational team is required to secure a \$500.00 sponsorship. Comet teams must secure \$1000.00. Sponsor fees assist in the operation of the program and help reduce the players' registration fees. All \$500 sponsors will be recognized on the team's webpage, AHA's sponsors page, listed in the tournament programs and given a team photo plaque at the end of the year. To get name on one the set of game jerseys, businesses can donate \$2500 & to get name of the practice jerseys businesses can donate \$1000.00.

*Thank you very much
for your support!*
