

ARCHER SOCCER

FUNDRAISING EXPECTATIONS & BUY-OUT OPPORTUNITY

ALL FUNDRAISER ORDERS ARE DUE:

FRIDAY, FEBRUARY 7th

Fundraising is a crucial part of high school athletics, and is an expectation of each player on the team. Through the tremendous job our players have done fundraising over the last two years, we were able to purchase new uniforms for the varsity squads (long and short sleeve), sideline jackets, new goals, new balls, other equipment, and pay for part of the Jekyll Island trip for the varsity players. We understand that fundraising can be challenging, and that is why we are offering the buy-out option again this year. **We would like for each player to raise/buy-out \$200 for the program, so we can continue to make Archer Soccer one of the best programs in the county.**

Fundraising options:

Raise \$200 for the program.

This means you could sell a combination of sheets, raffle tickets, calendar slots, and do a partial buy-out as well. Each sheet set equals \$15 raised. Each raffle ticket equals \$10 raised. Each calendar slot date = that much \$.
