

All,

In light of the Governor's announcement on November 18, we will be putting our winter programming on pause until we are given the go-ahead to continue in a safe manner. Effective on Friday, November 20 @ 11:59 PM, all programming is on pause through Friday, December 18.

Please see below for information regarding Homegrown Academy, GNLL, and Minnesota Chill Programming.

Homegrown Academy

[Winter Season \(current\)](#): We hope to be able to continue with regular Winter Academy training sessions after the restrictions are lifted. This will alter the end date for the Winter Season, but will allow us to offer a full schedule of training sessions for all regions.

[Pre-Season \(TBD\)](#): The dates, times, and locations are now TBD and will depend on the length of the pause and restrictions in place when we are allowed to resume winter training.

Please contact Program Director Ben MacLean at ben@homegrownlacrosse.org with any additional questions.

GNLL Winter/Spring Programming

[Homegrown for the Holiday's Men's League](#) (Dec 22 & Dec 27): At this time, we are still planning to host HG4H.

[Boys HS Winter League](#) (Jan-March): At this time, we are still planning to host this league with necessary covid related guidelines and restrictions. Games are scheduled to start in January which is after the pause should be ended but the team registration

deadline is still set for Friday November 27. An email will go out next week with updates and a team registration deadline reminder.

[Boys Youth Pre-Season Box](#) (March-April): At this time, we are still planning to host this league with necessary covid related guidelines and restrictions. An email will go out next week with updates.

[Girls Youth 6s](#) (March-April): At this time, we are still planning to host this league with necessary covid related guidelines and restrictions. An email will go out next week with updates.

[Boys Youth Spring](#) (April-June): At this time, we are still planning to host this league with necessary covid related guidelines and restrictions. An email will go out next week with updates.

[Boys 9/10 League](#) (April-June): At this time, we are still planning to host this league with necessary covid related guidelines and restrictions.

Please contact Program Director Jing Peng at jing@greatnorthernlacrosse.com with any additional questions.

MN Chill

Team practices are on pause. We look forward to starting back up on Saturday, December 19. All payment plans will be paused until we are able to start practicing again.

Please contact Program Director Jordan Herrman at jordan@homegrownlacrosse.org with any additional questions.

Covid Related Refund Policy

All covid related cancellations due to state mandate or our best judgement will come with a full refund. However, at this time, as programming is just on pause, we will not be issuing refunds until we have a clearer understanding of the months to come.

If you are in need of an exception, please contact your respective program coordinator directly.

Thank you all for your patience and understanding and for supporting each other in these difficult times. Please stay safe and healthy.

Sincerely,

Aron Lipkin Co-Founder / Executive Director
