

# This Month in House Baseball

MARCH - 2020

We are still planning for baseball in May, however season start dates are subject to change pending when the Covid-19 social distancing recommendations end.

Registration ends April 24th. If we are unable to have baseball this summer due to Covid-19, registration fees will be refunded to those that have registered.

Stay up to date by on Rochester Youth Baseball by following us on the following platforms:
