I couldn't be more thrilled to start this journey as your new Varsity Baseball Head Coach. As a former student-athlete at Mercer Island High School, I experienced firsthand what it means to be an Islander and wear that name across your chest. It has always been a dream to give back to the game that gave me so much, and to be able to do it for the community and school that helped shape who I am is an honor. Following in the footsteps of Coach Woody is a privilege, and I look forward to continuing the legacy he left behind. After just a few practices, it is evident that we have a talented group capable of achieving great things this year. Even with the change of regime, the expectations do not change. We expect there to be successes and challenges, but our goal is to compete for a KingCo championship and beyond. We are all excited for this 2024 season! Go MI!

Sincerely,
Coach Lawler

Mercer Island fans, we are excited to kick off the 2024 Baseball Season! It is with great pleasure that we warmly welcome our new Head Coach, Chris Lawler! With a wealth of experience and a passion for the game, Coach Lawler brings a fresh perspective and unwavering dedication to our team. His leadership will undoubtedly inspire our players to new heights of excellence, instilling in them the values of teamwork, perseverance, and sportsmanship that are the hallmarks of Mercer Island Baseball.

As we welcome Coach Lawler, we also extend our heartfelt gratitude to our previous Head Coach, Dominic Woody. Under Coach Woody's guidance, our team demonstrated remarkable dedication, sportsmanship, and competitive excellence. We thank him for his leadership and countless contributions to Mercer Island Baseball.

To our student participants, accept the responsibility and privilege of representing MIHS and our community by displaying positive public behavior. Demonstrate respect for opponents and umpires before, during, and after each contest. We expect that you live up to the high standards of sportsmanship established by the school and league.

To our parents, encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every contest. Demand a sports environment free from drugs, tobacco, and alcohol, and avoid using at all Mercer Island High School events. Help your student see that there will be times when you are at your best and lose or perform poorly and win in life and sports. Finally, please encourage your students to participate in sports for the love of the game.

To our fans, being in the stands represents a privilege to observe a contest and demonstrate support for high school activities. It is not a license to verbally assault others. Respect decisions made by the contest officials. Without them, there are no games. All cheers should support our team and not focus on our opponents. Sports rivalries can motivate students to reach beyond their limits of performance, which inspires us. However, do not let these rivalries become unhealthy and lead to behaviors that insult, dehumanize, or injure others.

We aim to have Mercer Island recognized for its excellent sportsmanship, sense of character, and outstanding effort. We ask players, coaches, parents, and spectators to uphold these values. Be Loud. Be Proud. Be Positive.

Thank you to all fans and supporters of Mercer Island Baseball. We can play because of you. I look forward to seeing you all in the stands this season! **Go Islanders! Lindsey Blaine, Athletic Director**

During his time at Whitman, Conder had the opportunity to play all over the country, and he cannot wait to pass on his love of the game and lessons learned to the next generation of Islanders.
