Player Photos:

You can upload a current photo of your player yourself by logging into your **Demosphere** account OR you can send photos to **regentplayerpass@gmail.com** and Regent will do it for you. *You will receive confirmation when a player photo has been added to your child's record.*

Here are the instructions for **Uploading a Photo to Demosphere**.

The photos on the rosters are very small, so it's important that the photos you choose be mainly of the players face - <mark>here are a few things to remember:</mark>

- Photos should be current (i.e. taken within the last year)
- Photos should be head shots & clearly show the players face (i.e. driver's license, ID, passport);
- NO sunglasses or anything obstructing the players face (i.e. masks, hats, shadows, etc.);
- NO action or full-body shots;
- NO group shots;
- NO drawings or random placeholders

Common Photo Faux Pas:

Action shot   Sunglasses   Mask/obstructed face   Full body   Group shot   Headless Horseman   Random placeholder
