A St. Paul institution since 1953, Highland Ball is the largest baseball & softball league in the city.

Over 1000 boys and girls ages 4-16 play on more than 100 teams each summer.

As a community-centered, neighborhood-based program with kids from more than 70 schools and every zip code in St. Paul, we play more than 1000 games in Highland each season.

Highland Ball is an affordable, competitive program that will never turn away a player because of finances.

We are staffed exclusively by volunteers with more than 200 coaches, managers and administrators donating their time.

Please contact highlandball@gmail.com to become a sponsor.
