

2020/2021 Sartell Junior Olympic Volleyball Tryout Information

Hello Sartell Volleyball Players and Families,

The tryout portion of our 2020/2021 season is upon us and we are looking forward to seeing the girls in the gym. The purpose of the tryout process is for team formation. Tryouts are for girls that live in the Sartell-St. Stephen community and are currently in grades 5 through 11. Teams are created based on age and ability. Tryouts are closed to all Parent and Guardians. Also, Due to COVID-19 regulations parents/guardians should not enter the building. If needed you can request to see a board member at the entrance of the building.

In these times of uncertainty, it is our goal as an organization to get the girls onto the volleyball court. We know that there may be some challenges, but we are dedicated to work through different situations that arise to continue our 2020/2021 season as we are able.

Please review the following information, there are many important details. Print and complete the final page and bring it with to tryouts.

Please forward this information onto anyone you think might be interested and also contact us at Sartelljobv@gmail.com with questions.

Sincerely,
Sartell JO Volleyball
