

West Suburban Girls WRESTLING CLUB

Empowering girls to be champions in life...and on the mat

Sponsorship Opportunities 2022-2023

Who Are We?

West Suburban Girls Wrestling is the first ALL GIRLS wrestling club in the state of Illinois! WSGW is a not-for-profit organization that is affiliated with the Illinois Kids Wrestling Federation (IKWF) and USA Wrestling. Women's wrestling is the fastest growing sport in the US, and we are committed to *"Empowering girls to be champions in life...and on the mat."*

What's Our Story?

Although women's wrestling has grown exponentially over the past several years, in March of 2020, four neighboring wrestling clubs joined forces to take it to the next level! It was time to think outside of the box, take a risk, and do something that no one had ever done in the state of Illinois. Hence the West Suburban Girls Wrestling Club was born!

The original plan was for the "consortium" of local wrestling clubs to send all their girls to WSGW. No longer would coaches have to worry about new girls being scared away from the sport when they walk into a wrestling room full of boys! What's more, WSGW would always be led by a female coaches! We are so fortunate to be partnered with the North Central College Women's Wrestling Team, and having those ladies in the room makes all the difference in the world!

Despite a few setback, specifically the global pandemic, we were able to officially launch in the Winter of 2021 as the first all girls team in the state of Illinois! Since then, our vision has exploded, and WSGW now offers wrestling opportunities to girls during the Fall, Winter, Spring and Summer! We never imagined #TheWSGWFamily would grow so rapidly, but we are looking forward to continuing to promote female wrestling for a very long time!

Why Support WSGW?

WSGW is our opportunity to be a part of something bigger than ourselves! We have some lofty goals, and before long, you may just see former WSGW girls competing on the biggest stages in the world! What's more, as many coaches can attest to, wrestling has afforded us life-altering experiences that have impacted the entire trajectory of our lives. There's no reason WSGW can't do the same for thousands of girls for many years to come! As you can imagine, starting something like this takes resources! All donations will go towards startup costs, rental fees, uniforms, and to further our mission. WSGW really is the start of something special, and with your help, we WILL *"Empower girls to be champions in life...and on the mat."*
