Office of Superintendent

Dear Nation Ford High Family and Friends:

Welcome to Nation Ford High School and the 2021-2022 athletic season! Your support of our extracurricular activities is truly appreciated and we hope that your fan experience will be special.

I am honored to serve as the Superintendent of the outstanding Fort Mill School District, the fastest growing district, per capita, in the state. One of our strengths is a high level of parent involvement evident in our district and I am excited to have the opportunity to work with such a supportive community. In spite of the robust growth rate, thanks go to our local citizens for their historical financial support of the district as evidenced by the outstanding athletic and academic facilities that our students enjoy today.

There is a long tradition of academic excellence and high expectations in all extracurricular activities. We must continue to work together to build on the tradition of excellence while never being satisfied solely with past successes. We owe it to our students to strive for continuous improvement.

We also welcome all visiting team fans. We trust you will have a good experience and let us know if we can assist you in any way.

As spectators and supporters of the various teams, squads, and bands this year, you are certainly aware that the students who are participating have already devoted a great deal of time and energy to prepare for this season. We all join together to applaud them for their dedication and commit our support to their efforts. We also extend our gratitude to the coaches, directors, teachers, and parents of these students for the support and encouragement that they continue to provide to these young people.

If you are not already a volunteer or member of one of our booster clubs, I encourage you to please consider becoming one this year. Without the support and participation of these organizations, many of the opportunities that are afforded our teams would not be available. Participation by parents and community members is essential to creating a winning attitude at Nation Ford High School and throughout the community.

I hope you enjoy tonight's game and will continue to attend and support all of the extracurricular activities in our schools. Best wishes to each of you during the 2021-2022 school year.

GO FALCONS!

Sincerely,

James N. (Chuck) Epps, Jr., Ph.D.
Superintendent

Our Mission: Nation Ford is dedicated to support all student learning through faculty collaboration and a sense of family.

Nation Ford Family,

We are excited for the fall sports season at Nation Ford High School! Our coaches and Athletic Director, Jaybe Shackleford, have worked hard to get our athletes ready to compete this season. There is so much that goes into preparing for the season, and I am proud of how hard our coaches and athletes worked to prepare. We appreciate your support as we build a positive atmosphere which will celebrate the accomplishments of our student-athletes.

The Nation Ford Faculty and Staff highly value the role that athletics play in the development of our student-athletes. The values that students learn from athletics translate well into their growth into adulthood. Dedication, sportsmanship, and teamwork are some of the values that we want our student-athletes to perfect in their time at Nation Ford. We are committed to providing every athlete with a positive experience in which they build these skills. We also want our athletes to build strong bonds with their teammates and be guided by caring adults. We know that athletics benefits our students' maturity and growth. Athletics also helps promote a positive school culture, increases school spirit, and, most importantly, leads to higher academic achievement.

This sports season would not be possible without your support, and the support of the Nation Ford Athletic Booster Club. The Athletic Booster Club is comprised of some of our most dedicated fans and supportive parents. We also want to acknowledge the contributions of Mr. Shackleford for all the work and time that he puts into our athletic programs. We also want to recognize the hard work of our coaching staffs as they build strong relationships with our athletes and build exemplary programs. Finally, we are so grateful for the sacrifices of our Nation Ford families who help support our student athletes in so many ways.

I hope you will enjoy the game tonight, and ask that you be an example of sportsmanship as you cheer on our Falcons. Please don't hesitate to ask for assistance if you need it from a Nation Ford Administrator or a Fort Mill Police Officer.

Sincerely,

Chris Chandler

Dear Falcon Family,

First and foremost we, the Nation Ford Family, want to welcome you to Nation Ford High School, the home of the Falcons, #ONENATION. We are extremely thankful that you chose to spend your evening with us under the lights of one of our fields here at NAFO. After a 2020–21 sports campaign which saw the Falcons winning a State Runner up in Girls Track, setting 2 state records in Boys Swim, and 3 Region Championships, our athletes and coaches are extremely excited to begin play in Region III AAAAA for the 2021–22 school year.

We look forward to the opportunities to serve within our community and we greatly appreciate the continued support from the Fort Mill community. Please contact us with any questions or requests that can make your visit with our Nation Ford Family here at #ONENATION a more enjoyable experience.

Sincerely,

James B. Shackleford

It's knockin' heads
and talkin' trash.

It's slingin' mud
and dirt and grass.

It's 'I got your
number, I got your
back, when your
back's against the
wall'. You mess
with one man,
you got us all.

**Wishing you a
fantastic freshman
season!**
