Subject: Provincial Indoor Soccer League Announcement

The Ontario Soccer Centre and Ontario Soccer are pleased to announce that they have entered into a 5-year Licensing Agreement with DG Sports to grow and expand the Provincial Indoor Soccer League (PISL) across Ontario.

The PISL was formed in 2010 and has since become one of the most competitive and prestigious indoor soccer leagues in the province.

Representing the top level of indoor soccer competition in Ontario, it brings together teams from all around the Greater Toronto Area and beyond.

The PISL will offer league play for U9 to U21 divisions for both male and female teams. As the highest level of competition in both male and female age groups for indoor soccer, this agreement will help with the expansion and registration of indoor competition throughout the province and to underserved areas.

DG Sports, who have a wealth of knowledge and expertise in administering leagues, will work with the Ontario Soccer Centre to ensure a high league standard of competition is met and maintained.

In addition to the Ontario Soccer Centre, DG Sports is now in the process of securing new indoor centres for the league in Mississauga, Scarborough, Hamilton, Durham, and beyond the GTA.

For inquiries on how to become involved, please email David Gee at [DG Sports](#).
