Players/Coaches/Parents-

We are a few days away from opening pull! Below is final information (pending no last minute drop-outs/field conundrum).

1. Schedule/Seeding

-Format stayed the same across divisions.

-I did, however, shift times back for Open and Girls divisions to allow more time between games. This matches our schedule prior to COVID-19.

--This also means we will have soft cap AND hard cap (75 minutes and 90 minutes). Halftime caps will be in place as well (45 minutes Open/Girls, 25 minutes MSL)

-Open D1 Pool B saw the most amount of changes with teams and bye shifts

-REMINDER, Girls Pool C and D have cross-over games on SATURDAY. These games are located in the "championship" tab and then at the very bottom of the screen.

2. Event Guide

Please see attached the event guide. In this guide is information that would usually be discussed during Captain's Meeting.

Additionally, feel free to send to parents/spectators. We will have physical copies available at HQ as well as large banners with schedules and scores.

3. Field Map

Please see attached the field maps. We have a Saturday and Sunday map. Fields are now assigned for your games which you can see on the schedule.

4. Spirit Awards

As a reminder, please send one representative of your team to HQ prior to your first round play to pick up individual spirit awards to hand out to one other player on the opposing team after each game.

As always, please let me know if there's any questions. I have 1-2 more emails coming this week with sponsor information. See you all soon!
