*Note-Our Evaluators consist of the Hillsboro High School Baseball Coaching Staff. Spartan Youth Baseball Board Members, Volunteers & Coaches will be running the check-in table and running the Tryout stations. Spartan Youth Baseball Board Members, Coaches and/or Parents DO NOT evaluate the Players.

Please note that **Tryouts are indeed Tryouts. Spartan Youth Baseball will have no more than 13 players per Roster at the Minor and Junior National Level and no more than 13 players per Roster at the Minor and Junior American/Federal levels. The Senior National Level will have no more than 13 Players per Roster and no more than 12 players per Roster at the Senior American/Federal Levels. Example: Minors Registration closes with 29 players registered which would be enough for 13 Minor National Players and 13 Minor American/Federal Players with 3 extra players. Waiver Players (players playing out of HILHI*

District) would be asked to play for the Association they should be playing for first. After the Waiver Players are informed or if no Waiver Players are registered at the Minor Level, it will be based on the evaluation scores. *Spartan Youth Baseball would try and help the 3 players either being a Waiver Player(s) or the Players with the lowest scores, a place to play locally if the families would like. The 3 families would also get a FULL refund from Spartan Youth Baseball for the Registration cost and Uniform cost. Receipts for the Uniform cost will be required before refund is given for the Uniform. Tryout Evaluators will also evaluate the safety of the Players. If for any reason the Tryout Evaluators feel a player would be in danger of getting seriously hurt by playing Baseball due to various reasons, they will inform the SYB Board and a full refund of the Registration and Uniform costs will be given to the family. SYB is willing to help the family find a sport more suitable and safer for the Player. Please note that SYB takes all these decisions very seriously as we are looking out for the safety of your Players and the competitiveness of our Teams. Rosters will be made after Day 2 of Tryouts based on the scores we receive from the evaluators (High School Coaching Staff). Spartan Youth Baseball will also start a waitlist at any level if we feel it is necessary. If we have multiple registered players that do not attend tryouts, we will consider a make-up date. As of right now, there will NOT be a make-up date. Please do everything you can to get your player(s) to Tryouts on Saturday 2/21/26 and be available on Sunday 2/22/26 between 12:00pm to 1:00pm in case your Player is selected for a "Call Back". We will communicate only to those who miss tryouts what the plan will be if there will be a make-up day.*

Teams will be formed and Coaches will be assigned as soon as possible. We are hoping to have it completed within 1 or 2 days after Tryouts are over. Once teams are built, Coaches will receive their Team Rosters and practices will begin at the Head Coaches discretion.

All of the above being said, we can't wait for Tryouts so we can get the 2026 Spring Season underway!!
