AGENDA:

- Fall/Winter Sports - Lindsay
- Spring/Summer Sports - Tommy
 - Technology - Debbie
 - Registration - Michelle
 - Miracle League - Chris
- Disciplinary Committee - Brent

Shreve called meeting into motion – 7:03 pm

Board Member Topics:

- Spring/Summer Sports:
 - Tennis registration #s look strong. Offering new apparel options. Two new coaches – both are PLHS alumni.
 - In-house Baseball #s look great. Concern exists that 3rd graders who try out for Travel but do not make it may not come back for 4th grade/10u baseball. Need to help families understand that the small # of teams at 9u should not push players out of baseball. Registration open for another 30 days.
 - LAX is working through their addition of a volunteer requirement for families and the use of Dibs or Signup Genius.
- Fall/Winter Sports:
 - No new updates from Volleyball
 - In-house basketball just finishing up their season in the next few weeks
 - One minor issue with seeding software being reviewed; MYAS app not processing tie-breaks correctly created a mis-seeded pool in P.L.A.Y. tourney.
 - Competition cheer season complete, planning for 2024-2025 sideline and competition season underway.
- Technology Update:
 - SLACK upgraded with non-profit status. Upgrade allows for new features, still working on sorting all those out.
 - Cheer survey closing this week.
- Registration:
 - Spring registrations in progress, looking into a pay as you go options within Sports Engine

- Miracle League:
 - No plans to break ground before Memorial Day, Fundraising target of \$175,000-\$200,000 to be able to break ground.
