

Tim Boberg Bio

Marauders Board of Directors

"I am a girl dad. I am a hockey dad.

Watching my girls fall in love with hockey and dedicate so much of their energy and passion has completely made us a hockey family. For that, I want to match that same passion and dedication and seek a position on the Mahtomedi Hockey Board."

I wrote this a year ago, when I asked for your support to serve on the Mahtomedi Youth Hockey Association board, and I appreciate the overwhelming confidence. Fast forward one year, my passion and dedication to hockey continues to grow and now I would like to extend my interests and experience to the Marauders board.

My wife Amanda and I are proud parents of 3 girls all of which have been playing hockey for Mahtomedi since they were 4. Sophia (14) finished her first year of U15, Olivia (12) finished her second year U12 and Ella (11) completed her second year U10 in this season.

If elected, I will devote my very best to help the Marauders board. I am a dedicated and competitive person who is passionate about youth sports and the future of our children as they develop into young adults. The Marauders program has a lot of good things going for it, and a lot of opportunity to build towards a better future. I will listen, I will learn. But I will also challenge and question everything we do to make sure it's our very best. Additionally, now with one year of MYHA board experience I believe extending my service on the Marauder board will help bring a full view of hockey and give a better opportunity to support both organizations.

I want to thank our outgoing board members for their tireless dedication and countless hours of support to our girl hockey players. Our program has made tremendous strides and I hope to carry their efforts forward.

On behalf of the entire Boberg family, we thank you for your consideration and look forward to many more great years of hockey.

Go Zephyrs and Go Marauders!

Board Experience

I am about to finish my first year of the MYHA hockey board, where I served as the Player Development Coordinator.

I've also spent my professional entire career specifically working with Public, Private, NFP board of directors of all sizes.

Coaching Experience

I had the absolute joy in coaching my girls in basketball until each of them retired after their 3rd Grade season.
