Steve L – 2010 CHS grad. Discussed options for his involvement with CYLA, with a potential focus on player development..

7:22 – Treasurer’s report.

Outstanding fee for fall program 14B. CYLA to pay and then collect from parents.

Bill needs an email address and to be added to CYLA page (Chantel) and to be added to systems.

Spring fee needs to be paid.

A coach questioned why his payment was less than last year.

The board reviewed the coach payout schedule:

Non-parent coaches get paid \$500 / season.

Level 1 certification adds \$250

Level 2 certification adds \$500

Level 3 certification adds \$1000

Certification bonuses do not stack.

As a result, the coach is indeed due additional payment.

7:52 Dick’s Sporting Goods proposal. They sponsor us and they run something like SportsEngine, but for free. Kids can order equipment and jerseys directly from Dick’s. Dick’s will handle all returns and incorrect sizing. Centennial Soccer uses it. Request from board to review proposal sent by Adam and respond with questions.
