Multi-Sport Athlete Discounts

The Sault Soccer Club is pleased to announce that a multi-sport athlete discount of \$100 is available to all eligible players. There are three main criteria to qualify:

- 1) It's a competitive sport
- 2) The duration of the sport runs the same length of time as soccer training during the winter program. Multiple sports not applicable (e.g. High School sports)
- 3) More than 50% of all sessions offered by the team will be missed.

All applications will be reviewed and decided upon by the board. The allocation of these discounts is up to the sole discretion of the board, with no exceptions made. If you qualify for this discount, a personalized discount code will be provided to the parent/guardian email listed above, for use during checkout with online payment.
