9. I will not post on any social media platform during the current season that they are participating into the extent that such content is related to CYF, bullying, bad mouthing coaches, game officials, other parents, other children, volunteers, and all incidents related to games in which you feel something was mishandled or not in your child's or their team's favor. **If you wouldn't say it in front of the coach, with your student-athlete there, don't say it online.**

MOST IMPORTANT: Remember that it is only a youth football game. Please don't let a momentary lapse in judgment embarrass or have a negative effect on your child. To them this is also a time of building many lasting friendships!
