The PGYSA IMPACT SC is excited to release its 2022-2023 Indoor & 2023 Outdoor programs & player/coach development plans. Designed over the last four years (2018-2022), with feedback/guidance from our youth, our members, our partners, and our governing sport bodies, the PGYSA IMPACT SC is ready for the future of youth soccer in northern BC.

A yearly schedule and plan have been designed to meet provincial and national standards. There is opportunity, a realistic certified pathway, and a program, for all levels of player and coach. Child protection measures have been implemented throughout the Club, so you can be confident your child is participating in a safe and secure environment.

INDOOR REGISTRATION OPENS FRIDAY SEPT 16/2022
