Cedarburg High School Girl's Tennis Player/Parent Commitment Agreement

Welcome players and parents to the 2023 High School JV Girls tennis season. WE want to have the BEST tennis program and provide a playing opportunity to all Girls who go out for the tennis team. While we do not want to cut anyone from the tennis program, players will cut themselves by not abiding to the rules outlined below.

1. I understand there is no "I" in TEAM.
2. I understand that all players in the program must fundraise to help with operational needs
3. I understand that players ride the bus with the tennis TEAM to and from tennis meets.
4. I understand that both teams are fundraising to help with tennis court equipment
5. I understand that 3 excused absences are allowed and work is not excused absence
6. I understand that Tennis is a short season that starts in early August. I will keep the TEAM first when I plan my work, activity schedule, and vacations.
7. I understand that practices are planned ahead of time and is dependent on numbers. Please have player contact Coach ASAP if an emergency conflict occurs.
8. I understand my phone will not be used in practice, and when teammates are competing Tennis is a social sport and teammates are expected to be attentive and supportive and do not leave matches until everyone is done.
9. I understand Coaches discretion will determine absences.
10. I understand that JV will purchase to own uniforms to ensure proper fit and comfort.
